Gigolo reveals what it's really like being paid to have sex for a living HE IS flown overseas, pampered with gifts and dines regularly with beautiful women. But being a gigolo has its downsides too.

Gigolo reveals what it's really like being paid to have ...
A gigolo (/?d?????lo?/ or /??????lo?/) is a male escort or social companion who is supported by a woman in a continuing relationship,[1] often living in her residence or having to be present at her beck and call.

Ben Foster's true-life story explores the extravagance of old and new wealth in today's Britain and reveals how some of the super-rich relieve their boredom with multiple partners and kinky sex lives.

Vin Armani - the most notorious sexual iconoclast of our generation - presents his personalphilosophy in TAO of the GIGOLO. With a focus on sex and relationships, the author illustrates the path he developed that led him to become a straight male escort and carried him to the highest echelons of that profession. This book is written as a primer for those readers seeking guidance towards refining their skills in the romantic arts. Though designed to be a starting point for the novice in the Art Of Seduction, Tao Of The Gigolo stands as a pivotal work due to Armani's unique perspective on the metaphysics of love and sexual attraction - a perspective that is simultaneously refreshing, provocative, and controversial.

Devastated by the end of her relationship, our heroine swaps her catsuit for pyjamas and hides away from the world. But her friends from the nightclub refuse to let her waste away in self-pity and drag her out to make up the numbers for a party. Only full make-up will suffice, and there's serious grooming to be done before our girl's up to the challenge - her state of misery has left her so thin that even her favourite Audrey Hepburn number doesn't cling the way it should. At the soire, she becomes entranced with a powerful married man, but it's unlikely their paths will cross again. Until a body is found in the street, stabbed to death - the victim, a gigolo, has connections to the object of her affection. And it seems that the gigolo lifestyle can leave one, ahem, exposed to hidden dangers. Our girl valiantly agrees to take on the case - any meetings with her beloved are an incidental added bonus.

Erotica by men who know what women want. Best read in the privacy of your own bedroom... The men of Showtime's Gigolos present their real life sexual experiences for your reading pleasure. We call them sexoirs: a memoir of sexual escapades. The bad boy: Nick Hawk The erotic spiritualist: Ash Armand The guy next door with a wild side: Bradley Lords Their stories, compiled together alongside tantalizing photos, bring forth Sexoirs of a Gigolo: The Complete Collection.

Paul Smith always made a huge impression on people. No matter who he spoke to they'd remember his name, and not always for the right reason. Men who met him either wanted to kill or be him, while women found themselves battling the urge to either slap him or sleep with him. It's because of this natural charisma - and a couple of turns along the way since his student days - that Paul found himself in an interview for a job at "Summer Nights," a well-known (to those in the know) escort agency hidden in the heart of the city. Although his dream was never to become one of the city's top escorts, there was no denying that despite his apathy for the work, Paul was good at what he does. Though this didn't exactly make his new career path any easier for his girlfriend Pamela to accept, even if she knew from experience that he would excel in his new position more than in any "regular" job he could have applied for. However, as he becomes further embroiled in the world of desire and quickly rises through the ranks in the industry of pleasure, Paul finds himself barrelling down a road that he'll never be able to return from. Making just as many enemies as friends in his new job, Paul's relationships and moral compass (or what's left of it anyway) are put to the test as he fully embraces the life of a Gigolo. Author Rocky Wyatt dives into the world of the male escort service to spin a sensual tale of pleasure and desire over the pages of his gripping new novel, The Gigolo. As rivalries begin to form and appointments with clients don't go as planned, Paul's radical new life starts to heat up in Wyatt's new erotic thriller.

He's gorgeous, cool and slick. Small wonder those wealthy American dames are falling over themselves to taste his flirtatious skills, just where it counts. Seduction is the name of his game, and he knows how to keep a secret. Trouble is, our Gigolo is also a mischief maker, a man with a mission - to make a killing. So he's got a secret of his own. But, can he keep it that way? Deliciously sensual and a touch macabre, this collection of tales, I'm a Gigolo contains ten startlingly original and provocative short stories you'll need to be brave to read at bedtime. 5 Stars from Lisa Hall USA Book reviewer Witty, clever, saucy, seductive and naughty in equal measure - what's not to like? Leading with a story about a self-confessed and, some might say, self-obsessed, Gigolo, this collection of ten short stories is highly entertaining and diverse. The Gigolo story is blush-worthy and provocative, told with sprinkling of arrogance and peppered with humour throughout. I anticipated the following short stories to be just as saucy and was pleasantly surprised by their diverse content. All of the stories had a fabulously wicked side to them and I wonder if this is the author's naughty side shining through. I think the old couple was probably my second favourite of the tales (with the Gigolo in first place, of course) it was deliciously dark and hugely entertaining. Overall a fun collection of short stories with something for everyone.

Romantic online lurking evil, lust and greed takes, love gives. Be nice to yourself because you're worth it. No worry no stress that is a moment of happiness you will never get back. This manuscript there is a love through an online dating that is fraudulent and deceitful.

An older woman-younger man relationship defies many norms. What was once viewed as unacceptable and frowned upon by conservatives has successfully claimed its place in society. Indian society is slowly warming up to the notion of this kind of short-term relationship. This might be because nowadays, women are ruling the boardroom, making important business decisions, and holding positions which were exclusively held by men before.
