Capable of flight, or instant movement of passengers from one place to another. A magic carpet, also called a flying carpet, is a legendary carpet and common trope in fantasy fiction. It is typically used as a form of transportation and can quickly or instantaneously carry its users to their destination.

Magic carpet - Wikipedia
Magic carpets are a form of transportation most notably found in oriental tales. These carpets are known also as flying carpets, as they transport their owners from one place to another through the air. Whilst magic carpets are perhaps most commonly associated with the stories found in the Thousand and One Nights , magic carpets have also been mentioned in the writings of different civilizations at various points of time in history.

The History of the Magical Flying Carpets | Ancient Origins
Owner Dennis Dilmaghani operates a wholesale, imported hand-made rug outlet at this location, which open to the public two days a week. He's also open seasonally on Sundays; call the store for these dates.
