The Sea-Doo XP was a model of personal watercraft produced by Bombardier Recreational Products from 1991 to 2004. The Sea-Doo XP is a significant model in that it was the first high performance version of a sit-down style watercraft to be offered by any manufacturer. Since the craft's introduction, all other personal watercraft manufacturers have introduced and continue to offer high ...

From dirt bikes and jet skis to weed wackers and snowblowers, machines powered by small gas engines have become a permanent—and loud—fixture in American culture. But fifty years of high-speed fun and pristine lawns have not come without cost. In the first comprehensive history of the small-bore engine and the technology it powers, Paul R. Josephson explores the political, environmental, and public health issues surrounding one of America's most dangerous pastimes. Each chapter tells the story of an ecosystem within the United States and the devices that wreak havoc on it—personal watercraft (PWCs) on inland lakes and rivers; all-terrain vehicles (ATVs) in deserts and forests;

lawn mowers and leaf blowers in suburbia. In addition to environmental impacts, Josephson discusses the development and promotion of these technologies, the legal and regulatory efforts made to improve their safety and environmental soundness, and the role of owners' clubs in encouraging responsible operation. Synthesizing information from medical journals, recent environmental research, nongovernmental organizations, and manufacturers, Josephson's compelling history leads to one irrefutable conclusion: these machines cannot be operated without loss of life and loss of habitat.

as the Governor of Georgia. With approval ratings reaching record highs, Governor Miller's administration accomplished more than most Governors dream about. The end of an administration is a time to look back and sum up the accomplishments of an entire time in office. This book summarizes the accomplishments of Governor Zell Miller's Administration, and offers a reflective look at the overall impact of eight years of priorities.
