The DNA sequence that comprises the human genome—the genetic blueprint found in each of our cells—is undoubtedly the greatest code ever to be broken. Completed at the dawn of a new millennium, the feat electrified both the scientific community and the general public with its tantalizing promise of new and better treatments for countless diseases, including Alzheimer's, cancer, diabetes, and Parkinson's. Yet what is arguably the most important discovery of our time has also opened a Pandora's box of questions about who we are as humans and how the unique information stored in our genomes can and might be used, making it all the more important for everyone to understand the new science of genomics. In the CURIOSITY GUIDE TO THE HUMAN GENOME, Dr. John Quackenbush, a renowned scientist and professor, conducts a fascinating tour of the history and science behind the Human Genome Project and the technologies that are revolutionizing the practice of medicine today. With a clear and engaging narrative style, he demystifies the fundamental principles of genetics and molecular biology, including the astounding ways in which genes function, alone or together with other genes and the environment, to either sustain life or trigger disease. In addition, Dr. Quackenbush goes beyond medicine to examine how DNA-sequencing technology is changing how we think of ourselves as a species by providing new insights about our earliest ancestors and reconfirming our inextricable link to all life on earth. Finally, he explores the legal and ethical questions surrounding such controversial topics as stem cell research, prenatal testing, forensics, and cloning, making this volume of the Curiosity Guides series an indispensable resource for navigating our brave new genomic world.

Kiss of Temptation is the third romance in New York Times bestselling author's Sandra Hill's beloved Deadly Angels series. For centuries, Ivak Sigurdsson has served the archangel Michael as a vangel — a viking vampire angel. Ready to demonstrate that he is more than just a libidinous heartbreaker, he agrees to help lawyer Gabrielle Sonnier. But while her problems are in need of serious attention, so is their attraction for one another. Sexy and sassy, Kiss of Temptation features plenty of witty innuendo, passion, and a hint of mystery. Fans of paranormal romance will enjoy this racy page-turner featuring a strong, smart heroine and a bad boy turned hero.

Christmas is supposed to be the most wonderful time of the year, but a real-life Scrooge is threatening to ruin the season's good will. Holly Anna Paladin can't wait to celebrate Christmas with family and friends. She loves everything about the season-celebrating the birth of Jesus, singing carols, and baking Christmas treats, just to name a few. But when a local family needs help, how can she say no? Holly's community has come together to help raise funds to save the home of Greg and Babette Sullivan, but a Bah-Humburgler has snatched the canisters of cash. Holly and her boyfriend, police detective Chase Dexter, team up to catch the Christmas crook. Will they succeed in collecting enough cash to cover the Sullivans' overdue bills? Or will someone succeed in ruining Christmas for all those involved?

The American way of life pushes people to constantly strive for more--more money, more stuff, more clout. But how much is enough? And how do we know when we have too much of a good thing? In this provocative, paradigm-shifting book, Will Davis Jr. challenges readers to discover the peace that comes through contentment with what we have and compassion for those in need. Through surprising statistics, scriptural insight, and real-life stories, Davis gently leads readers to consider living with less in order to do more for the kingdom. Thought-provoking discussion questions and short chapters make this a perfect study for small groups. No one will come away from this powerful book unchanged.
