Handle with Prayer offers a wealth of insights into deepening our prayer and bringing our dreams to life. In a comfortably friendly yet profoundly moving way, Alan Cohen guides readers to create real and lasting changes in their health, prosperity, relationships, and spiritual paths. Prayer, we discover, is a magnificent adventure in manifesting miracles and creating the life of our heart's desire. In this inspiring book, Alan gives you the formula for making your dreams come through, teaching you that enthusiasm generates creativity. His formula is: Desire + Belief = Results. He says, "Desire is the engine that drives spontaneous visioning. When you are enthusiastic, you are linked with the divine. Joy is the pipeline to heaven, and if you keep your channel open and flowing, you will bring heaven to earth." He reminds us that Jesus said, "It is done unto you as you believe." Those new to prayer, as well as experienced practitioners, will be bolstered and illuminated by this fresh and timely text, which takes prayer out of the domain of rote obligation, and delivers it to its rightful place as our most powerful and practical tool to manifest our destiny.

The only thing that makes life possible is permanent, intolerable uncertainty: not knowing what comes next" (Ursula K. Le Guin). "Life must be lived forwards, but can only be understood backwards" (Søren Kierkegaard). "When they tell you to grow up, they mean stop growing" (Tom Robbins). If brevity is the soul of wit, it may also be the soul of wisdom, as these short sharp nuggets from Sunbeams suggest. Derived from The Sun, the eminent monthly national literary magazine with a loyal readership of 70,000 people, Sunbeams features a selection of quotations for the aficionado of the form, the fan of the magazine, and anyone looking for an instant reminder of the beauty, power, and sheer complexity of the human spirit. Avoiding the familiar, the book contains pithy thoughts from a diverse group that includes James Baldwin, Mother Teresa, Friedrich Nietzsche, Rumi, and Victor Frankl, who survived the Theresienstadt concentration camp. Provocative and uplifting, the book respects both the glory and the heartache of being human.
