Aretha Franklin - Natural Woman Lyrics | MetroLyrics
Aretha Franklin Lyrics. " (You Make Me Feel Like) A Natural Woman". Looking out on the morning rain. I used to feel so uninspired. And when I knew I had to face another day. Lord, it made me feel so tired. Before the day I met you, life was so unkind. But you're the key to my peace of mind. 'Cause you make me feel.

A refreshed edition of Jambalaya: The Natural Woman ' s Book of Personal Charms and Practical Rituals—updated with a note from the author sharing the changes that have occurred in the 30 years since its original publication. "A book of startling remembrances, revelations, directives, and imperatives, filled with the mysticism, wisdom, and common sense of the African religion of the Mother. It should be read with the same open-minded love with which it was written."—Alice Walker, author of The Color Purple Since its original publication in 1985, Jambalaya has become a classic among Women ' s Spirituality Educators, practitioners of traditional Africana religions, environmental activists, and cultural creatives. A mix of memoir, spiritual teachings, and practices from Afro-American traditions such as Ifa/Orisha, and New Orleans Voodoo, it offers a fascinating introduction to the world of nature-based spirituality, Goddess worship, and rituals from the African diaspora. More relevant today than it was 36 years ago, the wisdom of Jambalaya reconnects us to the natural and spiritual world, and the centuries-old traditions of African ancestors, whose voices echo through time, guiding us and blending with our own.

Using his expertise on women's health issues, Dr. Siebel reveals the scientific basis for yoga's positive effects on the brain. Together, Dr. Siebel and Hari Khalsa create a dialogue of spiritualism and science, elucidating how every woman can reap the rewards of yoga for a lifetime.

Carly Simon's New York Times bestselling memoir, *Boys in the Trees*, reveals her remarkable life, beginning with her storied childhood as the third daughter of Richard L. Simon, the co-founder of publishing giant Simon & Schuster, her musical debut as half of The Simon Sisters performing folk songs with her sister Lucy in Greenwich Village, to a meteoric solo career that would result in 13 top 40 hits, including the #1 song "You're So Vain." She was the first artist in history to win a Grammy Award, an Academy Award and a Golden Globe Award, for her song "Let the River Run" from the movie *Working Girl*. The memoir recalls a childhood enriched by music and culture, but also one shrouded in secrets that would eventually tear her family apart. Simon brilliantly captures moments of creative inspiration, the sparks of songs, and the stories behind writing "Anticipation" and "We Have No Secrets" among many others. Romantic entanglements with some of the most famous men of the day fueled her confessional lyrics, as well as the unraveling of her storybook marriage to James Taylor.
