Socrates: A Very Short Introduction explores Socrates' life and his philosophical activity, before considering the responses his philosophical doctrines have evoked in the centuries since his death. It examines the relationship between the historical Socrates and the Platonic character, and explores the enduring image of Socrates as the ideal exemplar of the philosophic life.

Socrates: A Very Short Introduction - Very Short Introductions

The introduction for a short story should always be juicy... It should give the reader enough incentive to go on. Oftentimes, the reader asks herself "What is in it for me?" It is your job, as the writer, to answer that question. Whether or not she will proceed with reading your story depends on how well you answer that question.

How to Write Juicy Short-Story Introductions ...
