It follows the lives of several characters through these events. The 45-chapter novel was published in 31 weekly instalments in Dickens's new literary periodical titled *All the Year Round*. From April 1859 to November 1859, Dickens also republished the chapters as eight monthly sections in green covers. All but three of Dickens's previous novels had appeared only as monthly instalments. As the the bicentenary of the French Revolution draws near, Dickens' historical novel serves as a timely reminder of nineteenth-century reactions to that great upheaval. Set between 1757 and 1793, *A Tale of Two Cities* views the causes and effects of the Revolution from an essentially private point of view, showing how private experience relates to public history. Dickens' characters are fictional, and their political activity is minimal, yet all are drawn towards the Paris of the Terror, and all become caught up in its web of human suffering and human sacrifice.
