The ideal classic for club runs: a 1957 Matchless G80S on sale at Andy Tiernan ' s in May 2020 for £ 4500. Early iron head models are low, light and characterful, combining a sprung saddle and rigid rear end with useful Teledraulic front end.

AJS & Matchless 500 Singles: out of the archive - RealClassic
1957 AJS Matchless Singles Competition sub-frame G80CS 18CS. The rear section is the ultra-rare 1957 compie singles rear loop with the big platform under the seat for mounting the voltage regulator. One year only item!!! This year/type rear loop didn't have the big pillion peg mounts. The only mount (which is still present) is a threaded boss on the right side for an exhaust pipe mount.

FOR THE AJS & MATCHLESS SINGLE MOTORCYCLES
The Matchless and AJS single engine ' s design was typical big Brit: long stroke, iron barrel, iron head, heavy flywheels and long pushrods. Advert This low-revving, mechanically quiet power plant, sweet in both 350 and 500cc formats, is one of the serious charmers from the period, and although it ' s conventional in most ways, it does have its quirks.

1957-1964 Matchless All Models Workshop Instruction Manual
The Matchless G80 is a single cylinder 500 cc British motorcycle built by Associated Motorcycles (AMC) between 1946 and 1966. During the 1950s and 1960s, the main export product for AMC was the AJS / Matchless range – the road bikes were very similar, often with only the badges distinguishing one marque from the other; the equivalent AJS being the Model 18 .

THE 500cc AJS MODEL18, aka the Matchless G80, is arguably the quintessential English post-war heavyweight single. Solid, handsome, competent, economical and reliable, you might be forgiven for feeling the urge to wear a bowler hat and a bow tie when riding one of these about town, or even further afield.
