Towards a bipolar West | America, the EU and Strategic...

Strategic autonomy is a concept championed by Macron, who argues the EU should become more powerful on the world stage and able to operate independently in a wide range of areas, from military operations to industrial policy.

Berlin stresses US lies after Macron kneels—politico.eu

explores windows of opportunity for advancing the EU-Latin American strategic partnership. It is argued that although asymmetries between Europe and Latin , America might impact and diminish the bi-regional relationship, the EU is well-positioned to play a more active role in Latin America by strengthening existing

Policy Department Directorate-General for External Policies

Internationalisation is a strategic goal of European governments and universities, with priority placed on student and staff mobility, cross-border partnerships and learning and teaching approaches. EUA supports the institutional development of internationalisation through a variety of projects and memberships services.

The EU remains Latin America's most important development partner. With our regional programmes we will continue to help the region tackle its remaining challenges. Having acquired an upper middle-income status, many of the 18 countries that make up Latin America have transformed to become emerging donors.

Latin America | International Cooperation and Development

EU relations with Region The EU and Latin America and the Caribbean have enjoyed privileged relations since the first bi-regional Summit, held in Rio de Janeiro (Brazil) in 1999, which established a strategic partnership. They are natural partners linked by strong historical, cultural and economic ties.

Latin America and the Caribbean—European Union External...

America regards China as a revisionist power whose long-term aim is global supremacy. This, as the contribution by Marco Overhaus, Peter Rudolf and Laura von Daniels demonstrates, is a matter of broad consensus in the United States, across both main parties and throughout business, politics and society as a whole.

Strategic Rivalry between United States and China—SWP

Investigating the EU's strategic interests in these regions, the article argues that geo-economics drove the negotiations with ASEAN and CAN, while political interests in counterbalancing the USA and China motivated the negotiations with the GCC.

Leveraging interregionalism: EU strategic interests in...

The European Union and Latin America and the Caribbean enjoy privileged relations and are natural partners, linked by strong historical, cultural and economic ties. They share a strategic bi-regional partnership, which was launched in 1999 and stepped up significantly in the recent years. The two regions co-operate closely at international level across a broad range of issues and maintain an ...

06/11/20 - HR/VP blog—Last Tuesday we held the 5th EU-Pakistan strategic dialogue. With the prolonged and worsening COVID-19 crisis, the fight against terrorism and radicalisation, and the growing international tensions in the region and worldwide, it is more important than ever for the EU to deepen its ties with a country like Pakistan.
