Updated in a new 11th edition, American and Texas Government: Policy and Politics introduces the essentials of American government in a way that any student can understand. Known for its extremely student-friendly, jargon-free style, public policy is emphasized throughout to show students the impact that government has on their lives.

This popular brief edition text maintains the framework of the Wilson, DiIulio, and Bose complete text, emphasizing the historical development of the American political system, who governs, and to what ends. Completely up to date, AMERICAN GOVERNMENT: BRIEF VERSION, Eleventh Edition offers new coverage of such key and emerging issues as the 2012 campaigns and elections; leadership of President Obama and the 112th Congress; the economic downturn and ensuing policies; healthcare reform; foreign relations with North Korea and Iran; the war in Afghanistan; and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Sidlow/Henschen's GOVT, 11e delivers an accessible and concise overview of American government that engages students of all generations and learning styles. Thorough coverage of the 2020 election includes insights into the presidential, Congressional and state races as well as the number of women and minority group members elected, the impact of campaign finance and the accuracy of public opinion polls. Reflecting the latest political and governmental developments, GOVT also discusses the latest civil rights issues and concerns, Supreme Court decisions through June 2020, liberty during the pandemic, tariffs, constitutional rights of foreigners, presidential pardons and much more. Concise yet comprehensive chapters in a modern design are easy to read, while Tear-Out Review Cards at the back of the book give you a portable study tool for class and test prep. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

PUBLIC ADMINISTRATION IN AMERICA tackles the current and emerging trends, ethics, and challenges in public administration with the most comprehensive scholarship available. The Eleventh Edition gives you a behind the scenes look at day-to-day operations while examining the policies implemented and the procedures undertaken across the various levels of American government. The most current applications of public administration are discussed and analyzed, with up to date coverage of recent education initiatives such as Race to the Top, the ongoing health care debates, Homeland Security

challenges and threats, and much more. To encourage student engagement, the Eleventh Edition introduces two new features, Point/Counterpoint and What Would You Decide?, where students are invited to play an active role in debating and discussing some of the most up-to-date topics. Presented in a comprehensive and easy-to-understand format, PUBLIC ADMINISTRATION IN AMERICA builds student knowledge of core concepts while showing them the path to an exciting and fulfilling career in politics and public administration--where they can make a difference! Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

AMERICAN GOVERNMENT AND POLITICS TODAY: BRIEF EDITION, 2016-2017, shows you how easily and effectively you can participate in the political process. New features, up-to-date political news and analysis, and a great price make this text a top seller. Praised for its succinct format, balanced coverage, clarity, and readability, this book examines all the key concepts of American government, while providing interesting student-oriented features that further convey what active citizenship means. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.
