Comprehensive, challenging, and effective - the best of American Headway for upper-intermediate to advanced students.

Teach with confidence, using the world's favorite English course. Interchange is a four-level, American English course that has been used by over 50 million students worldwide. This Level 3A Workbook provides six pages of additional practice for each unit in the first half of the Student's Book (units 1-8). The workbook helps recycle and review language by providing additional practice in grammar, vocabulary, reading, and writing. It is appropriate for in-class work or can be assigned as homework.

Still the world's most trusted adult English course - American Headway Third Edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning resources than ever before.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

Still the world's most trusted adult English course - American Headway Third Edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning resources than ever before.

This is a practical and imaginative addition to the New Headway. It helps students to express themselves clearly and confidently by training them in the key areas of pronunciation. There is practice of individual sounds, with a guide to suitable exercises for speakers of particular languages. There is a focus on lexical sets.
