An American Demon conveys anger and truth within the perfect setting, using a youth rebellion that changed the world to open doors for this level of brash destruction. Told from the point of view of a seminal member of the American Punk movement – doused in violence, rebellion, alcoholism, drug abuse, and ending with beautiful lessons of sobriety and absolution – this book is as harrowing and life-affirming as anything you’re ever going to read.

The author, Kiese Laymon, subtitled his book "An American Memoir," but it could just as easily have been sub-subtitled "A Writer's Memoir." But Laymon is not just any writer.
