Hinduism is a religion that originated in the Indian subcontinent. Purists refer to it more as San?tana Dharma (the eternal path/law) rather than a religion, as it is believed to be a virtuous way of life. It is the oldest practised religion in the world and has the third largest following after Christianity and Islam.

**A Brief Introduction to Hinduism**

A Definition of Hinduism. Unlike other religions, Hindus view their faith as an all-encompassing way of life with a complex system that comprises beliefs and traditions, an advanced system of ethics, meaningful rituals, philosophy, and theology. Hinduism is characterized by belief in reincarnation, called Samsara; one absolute being with multiple manifestations and related deities; the law of cause and effect, called Karma; a call to follow the path of righteousness by engaging in spiritual ...

No details are really omitted however and the book is as comprehensive an introduction to Hinduism as you can get. Hinduism is such a broad range of traditions and beliefs that it is very difficult to fit it into one scholarly work, however, the author succeeds in doing this without completely repackaging it for ease of Western categorization and understanding as so often happens.

The Hindu Way: An Introduction to Hinduism, the new book by bestselling author Shashi Tharoor, whose last three books have sold over a quarter of a million copies in hardback, is the perfect introduction to one of the world’s oldest, largest and most complex religions.

A much-needed, comprehensive and up-to-date thematic and historical survey of Hinduism.

A much-needed, comprehensive and up-to-date thematic and historical survey of Hinduism.

"Informs readers about the spiritual, cultural and social heritage of Hinduism. Part I features a brief history and core beliefs of Hinduism, its sacred texts, various denominations, mandirs, holy men and women, sacred places, rivers, festivals, rituals, and sacred symbols and objects. Part II features sadhana, great devotees of God, rishi-scientists of India, Hindu perceptions, Hindu way of life, Hindu reformers, concept of creation, and frequently asked questions on Hinduism."--Page 4 of cover.

Hinduism is the oldest living religion of the world and the most complex in terms of its philosophy and practices. This volume looks at the antiquity, definition, and significance of Hinduism, providing a thorough and scholarly understanding of the basic and essential aspects of the eternal tradition useful to both lay practitioners and students.

An Introduction to Swaminarayan Hinduism, third edition, offers a comprehensive study of a contemporary form of Hinduism. Begun as a revival and reform movement in India 200 years ago, it has now become one of the fastest growing and most prominent forms of Hinduism. The Swaminarayan Hindu transnational network of temples and institutions is expanding in India, East Africa, the UK, USA, Australasia, and in other African and Asian cities. The devotion, rituals, and discipline taught by its founder, Sahajanand Swami (1781-1830) and elaborated by current leaders in major festivals, diverse media, and over the Internet, help preserve ethnic and religious identity in many modern cultural and political contexts. Swaminarayan Hinduism, here described through its history, divisions, leaders, theology and practices, provides valuable case studies of contemporary Hinduism, religion, migrants, and transnationalism. This new edition includes up-to-date information about growth, geographic expansion, leadership transitions, and impact of Swaminarayan institutions in India and abroad.

Covering the earliest Sanskrit rulebooks through to the codification of 'Hindu law' in modern times, this interdisciplinary volume examines the interactions between Hinduism and the law. The authors present the major transformations to India's legal system in both the colonial and post colonial periods and their relation to recent changes in Hinduism. Thematic studies show how law and Hinduism relate and interact in areas such as ritual, logic, politics, and literature, offering a broad coverage of South Asia's contributions to religion and law at the intersection of society, politics and culture. In doing so, the authors build on previous treatments of Hindu law as a purely text-based tradition, and in the process, provide a fascinating account of an often neglected social and political history.

This brief introduction to Hinduism is designed to help readers understand this important religious tradition. With both nuance and balance, this text provides broad coverage of various forms of Hinduism with an arresting layout with rich colors. It offers both historical overviews and modern perspectives on Hindu beliefs and practices. The user-friendly content is enhanced by charts of religious festivals, historic timelines, updated maps, and a useful glossary. It is ideal for courses on Hinduism and South Asian religions and will be a useful, concise reference for all readers eager to know more about this important religious tradition and its place in our contemporary world.

Hinduism is practised by nearly eighty per cent of India's population, and by some seventy million people outside India. In this Very Short Introduction, Kim Knott offers a succinct and authoritative overview of this major religion, and analyses the challenges facing it in the twenty-first century. She discusses key preoccupations of Hinduism such as the centrality of the Veda as religious texts, the role of Brahmins, gurus, and storytellers in the transmission of divine truths, and the cultural and moral importance of epics such as the Ramayana. In this second edition Knott considers the impact of changes in technology and the flourishing of social media on Hinduism, and looks at the presence of Hinduism in popular culture, considering pieces such as Sita Sings the Blues. She also analyses recent developments in India, and the impact issues such as Hindu nationalism and the politicization of Hinduism have on Hindus worldwide. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Hindu Way: An Introduction to Hinduism, the new book by bestselling author Shashi Tharoor, whose last three books have sold over a quarter of a million copies in hardback, is the perfect introduction to one of the world’s oldest, largest and most complex religions. Although there are hundreds of books on Hinduism, there are only a few which provide a lucid, accessible, yet deeply layered account of the religion’s numerous belief systems, schools of thought, sects, tenets, scriptures, deities, rituals, customs, festivals and philosophies. This book is one of them.

Kandiah Sivaloganathan's A Brief Introduction to Hinduism, is a handy tool for all those who yearn to understand the philosophy behind one of the world's oldest religions - Hinduism. Also known as Sanatana Dharma (or the eternal law), Hinduism took birth in the Indian subcontinent thousands of years ago and is still followed by more than a billion followers worldwide. However, in today's busy world, it's nearly impossible to gain an in-depth understanding of one's faith and pass it on to the next generation. That's exactly the issue Sivaloganathan tries to address in his book, with regards to Hinduism. It's a go-to book for all your queries regarding the Hindu faith. The author tries to bring together the various aspects of Hinduism - from its myriad deities, saints, sages, rituals, prayers, scriptures, to modern science and its association with the principles of this ancient religion. This Book attempts to provide answers to: What is Hinduism? Why do Hindus pray to different deities? What is the power of prayer and mantras? What does Hindus mean by karma, creation and reincarnation? How is Hinduism connected to nature and science? In today's world, when everyone is too busy to read and understand their religion, this book provides a basis, a simple reference, to understand Hinduism. It is written in simple, readable language.

Introducing Hinduism, 2nd Edition is the ideal sourcebook for those seeking a comprehensive overview of the Hindu tradition. This second edition includes substantial treatments of Tantra, South India, and women, as well as expanded discussions of yoga, Vedanta and contemporary configurations of Hinduism in the West. Its lively presentation features: case studies, photographs, and scenarios that invite the reader into the lived world of Hinduism; introductory summaries, key points, discussion questions, and recommended reading lists at the end of each chapter; narrative summaries of the great epics and other renowned Hindu myths and lucid explanations of complex Indian philosophical teachings, including Sankhya and Kashmir Saivism; and a glossary, timeline, and pronunciation guide for an enhanced learning experience. This volume is an invaluable resource for students in need of an introduction to the key tenets and diverse practice of Hinduism, past and present.
