A novella, short stories, a critical study, a preface, and reviews.

The Portable Anais Nin is the first comprehensive collection of the author's work in nearly 40 years, during which time her catalogue has doubled with the release of the erotica and unexpurgated diaries. A handy source book of Nin's most important writings, arranged chronologically and annotated by prominent Nin scholar Benjamin Franklin V. Included are complete

Access Free Anais Nin Reader

diary excerpts, entire fictional works, such as *The House of Incest*, erotica, interviews, selections from her unpublished diary, and her critical writings.

The House of Incest, Anais Nin's famous prose poem, was first published in Paris in 1936 and immediately drew attention from the era's prominent writers, including Henry Miller and Lawrence Durrell. While written in English, it is considered a landmark work in the French surrealist tradition and one of the most unique books in 20th century literature.

These 13 erotic short stories by the acclaimed author of *Henry and June* explore the nature of desire, taboo,

and female sensuality. Following her first book of erotic short fiction, *Delta of Venus*, Anaïs Nin continues to illuminate the many guises of human sexuality in *Little Birds*. From the beach towns of Normandy to the streets of New Orleans, these thirteen vignettes introduce us to a covetous French painter, a sleepless wanderer of the night, a guitar-playing gypsy, and a host of others who yearn for and dive into the turbulent depths of romantic experience. "[It is] so distinct an advance in the depiction of female sensuality that I felt, on reading it, enormous gratitude." -Alice Walker "One of contemporary literature's most important writers." -Newsweek

Largely ignored by mainstream audiences for the first thirty years of her career, Anais Nin (1903-1977) finally came into her own with the publication of the first part of her diary in 1966. Thereafter she was catapulted into fame. Throughout the late sixties and the seventies she attracted a host of devoted and admiring readers in the counter culture, who were magnetized by her personal liberation and openness. For a woman to make such probing exploration of the intimate recesses of her psyche made her a cult figure with a large and lasting readership. Born in France, Anais Nin lived much of her life in America. Her liaison

Access Free Anais Nin Reader

with Henry Miller and his wife June, documented in her explicitly detailed diaries, became the subject of a major film of the nineties. Her forthright books, her diaries that continue to be published in a steady flow, and her charismatic charm made her the subject of many candid interviews, such as those collected here. Eight included in this volume are printed for the first time. Many others were originally published in magazines that are now defunct. Nin elaborates on subjects only touched upon in the diaries, and she speaks also of her role in the women's movement and of her philosophies on art, writing, and individual growth.

The trailblazing memoirist and author of *Henry & June* recounts her relationships with Henry Miller and others—including her own father. Anaïs Nin wrote in her uncensored diaries like they were a broad-minded confidante with whom she shared the liberating psychosexual dramas of her life. In this continuation of her notorious *Henry & June*, she recounts a particularly turbulent period between 1932 and 1934, and the men who dominated it: her protective husband, her therapist, and the poet Antonin Artaud. However, most consuming of all is novelist Henry Miller—a man whose genius, said Anaïs, was so demonic it could drive people insane. Here too, recounted in extraordinary detail, is the sexual affair she had with her father. At

once loving, exciting, and vengeful, it was the ultimate social transgression for which Anaïs would eventually seek absolution from her analysts. “ Before Lena Dunham there was Anaïs Nin. Like Dunham, she ’ s been accused of narcissism, sociopathy, and sexual perversion time and again. Yet even that comparison undercuts the strangeness and bravery of her work, for Nin was the first of her kind. And, like all truly unique talents, she was worshipped by some, hated by many, and misunderstood by most . . . A woman who ’ d spent decades on the bleeding edge of American intellectual life, a woman who had been a respected colleague of male writers who pushed the boundaries of acceptable sex writing. Like many great . . . experimentalists, she

wrote for a world that did not yet exist, and so helped to bring it into being. ” —The Guardian Includes an introduction by Rupert Pole

The renowned diarist continues the story begun in *Henry and June* and *Incest*. Drawing from the author's original, uncensored journals, *Fire* follows Anaïs Nin's journey as she attempts to liberate herself sexually, artistically, and emotionally. While referring to her relationships with psychoanalyst Otto Rank and author Henry Miller, as well as a new lover, the Peruvian Gonzalo Moré, she also reveals that her most passionate and enduring affair is with writing itself.
