adventure to adventure beginning with the mysterious disappearance of Mark's twin sister, Janelle. From American Samoa, Kitona calls on her 1 Law 4 All Foundation pals to investigate. The fledgling 1 Law 4 All Foundation parleys the missing person's report into a web of political deceit. Soon they are confronted with overtones from the American and Asian mobs and a Fast and Furious, Mexican cartel. With Las Vegas as ground zero, the Foundation tries to solve the mysteries surrounding Janelle. The threats of murder and the realities of gun battles stimulate the adventurous overflow. How will the Jimmy and the Foundation pioneers avoid tragedy? Or will they? 1 Law 4 All - Vegas mingles drama and intrigue with realistic people-like characters. Jimmy and the Foundation members team with LVPD detective Rick Rizzo to track Janelle's missing person's clues through the American Southwest, China and on to Washington, DC. A senior Senator plays the political system becoming rich along the way. His above the law attitude combines with a lifestyle of drugs and sex. One night he makes a decision he's made many times before. But this cover up attempt leads to scheming, mayhem and murder.

"The stories in My week at the Blue Angel aren't about Steve Wynn, Cirque du Soleil, or how to play poker and they aren't set in Caesars Palace, XS nightclub, or a 2,000-seat showroom. They're about prostitutes, ex-cons, and the homeless and they're set under Caesars Palace and in trailer parks and weekly motels"--Back cover.

The hottest magician in years takes us behind-the-scenes of his hit A&E show and offers secret tips to 25 illusions you won't see anywhere else. Criss Angel is poised to take the magic world by storm. He had his first 1-hour special on ABC in '01, headlined Madison Square Garden's annual Halloween

special a year later to an audience of 60,000, performed in front of 75,000 people in Times Square, had two subsequent 1-hour specials on the Sci-Fi channel, he's received countless magician awards, and he currently has a groundbreaking show on A&E called **CRISS ANGEL MINDFREAK**, the first weekly magic show in over 40 years, that consistently wins its timeslot. **MINDFREAK** – the book – will be an extension of the show, which uses a specific topic each week – like 'Buried Alive', 'Bullet Catch', 'Building Walk', or 'Levitation' – to delve into the history of each subject, and see if Criss can't break new ground by doing something no one has done before. We are also going to try and include secrets in the book – clues to be dissected by readers – that relate back to magic he will perform on the show, where the book will be heavily promoted.

Angel in Vegas is based on the life of a professional gambler, her experiences, techniques and strategies. It begins in the late 1940's, a time when Southern Nevada was being transformed from sage and sand to glitzy palaces that would one day be measured in acres. She wanted to be part of its ambiance of make-believe, embraced by its innovators, The Boys, who were making the American Dream come true for themselves... But, only if she could live like a cat, not restricted to a leash, free to wander where she may.

Trouble. From the first page of each of the edgy and unrelentingly intense stories in this debut collection, the teenaged characters are headed for big trouble. The adult world has mostly failed them, and they find themselves entering into highly charged situations where they make their own rules, with misguided understanding of the consequences. The stories burn hot and fast, providing searing insights into their world of sex, drugs, drinking,

violence, and accidental grace, played out in small, tough towns. Written with raw directness and understanding that makes these nine stories impossible to forget, *The History of Vegas* announces an exciting, fresh talent with the impact of Mary Gaitskill, Mary Karr, and Jayne Anne Phillips.

First there was pain, and now there is just... nothing. No one can ever understand the losses I've suffered. A solitary existence that consists of my work and the empty house that serves as a constant reminder of all I have lost. After months of paralyzing emptiness, I turn to *The Wicked Horse* so I can feel something. Anything, really. Any shred of emotion that will explain why I'm still here. Any justification for why my life was spared and theirs were not. It's all in vain. Not even the debauchery of the notorious sex club can fill the hollowness that consumes me. Until she walks in. Absolutely perfect. Gorgeous and bends to my will. Gives me her body willingly, while expecting nothing more from me than the pleasure I offer her. And the more she gives, the more I find myself wanting to take. Wanting to crawl out of my personal hell for this wicked angel.

Each day thousands of people flock to Las Vegas from around the world and for a brief moment their lives may intersect serendipitously. But wait to you get a load of the cast of characters in *Some Saw an Angel in Las Vegas*. They come loaded with all kind of baggage and their lives just get crazier as they get their Vegas sea-legs on. Their lives crisscross to create a collage of humanity both real and eccentrically hilarious. Every chapter delivers a compelling twist culminating in a rollicking page-burner that leaves you wondering what kind of trip you've been on or what you just took and wanting to know, "What the heck is going to happen next?" A lively romp and an equal opportunity offender, *Some*

one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice's journey into Wonderland, after Holly plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show for four years—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Life inside the notorious Mansion wasn't a dream at all—and quickly became her nightmare. After losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex, the abuse, the infamous parties, and her real behind-the-scenes life with Bridget, Kendra, and, of course, Mr. Playboy himself. With great courage, Holly shares the details of her subsequent troubled relationship, landing her own successful television series, and the hard work of healing, including her turn on *Dancing with the Stars*. A cautionary tale and a celebration of personal empowerment, *Down the Rabbit Hole* reminds us of the importance of fighting for our dreams—and finding the life we deserve.
