The book engages with the work of many scholars who have written on the subject, including Carol Adams, Alasdair Cochrane, Gary Francione, Melanie Joy, Martha Nussbaum, and Peter Singer, as well as with the views of non-specialists, including ...

### Animal (De)liberation - Wikipedia

Animal (De)liberation. Book Description: In this book, Jan Deckers addresses the most crucial question that people must deliberate in relation to how we should treat other animals: whether we should eat animal products. Many people object to the consumption of animal products from the conviction that it inflicts pain, suffering, and death upon animals.
