The Ethnic Origins of Nations ...

Anthony Smith's ethnosymbolist approach stands as an example of the culturalist/ethnicist school of thought in nationalism studies, which aims to explain nations and nationalism by focusing on cultural factors and pre-modern continuities with what Smith terms the 'ethnie'. Smith argues that the modernist paradigm pays insufficient attention to the long-term formation of national identities and, moreover, to the political power of the 'myth-symbol complex' and of 'myth-memories ...

This book is a classic and explores Smith's views on national identity, its creation and expression. It contests views of other theorists, like Hobsbawm and provides an interesting theory of national Identity being forged through ethnicity. Useful to Social Scientists, Political observers and historians.

interdisciplinary field of nationalism studies. His best-known contributions to the field are the distinction between 'civic' and 'ethnic' types of nations and nationalism, and the idea that all nations have dominant 'ethnic cores'. He is President of the Association for the Study of Ethnicity and Nationalism at the London School of Economics, and the Editor-in-Chief of the journal Nations and Nationalism.
