The Jew, according to the Arab stereotype, is a brutal, violent coward; the Arab, to the prejudiced Jew, is a primitive creature of animal vengeance and cruel desires. In this monumental work, David Shipler delves into the origins of the prejudices that have been intensified by war, terrorism, and nationalism.

Arab and Jew: Wounded Spirits in a Promised Land: Shipler ...

And he writes of the people: the Arab woman in love with a Jew, the retired Israeli military officer, the Palestinian guerrilla, the handsome actor whose father is Arab and whose mother is Jewish. For Shipler, and for all who read this book, their stories and hundreds of others reflect not only the reality of "wounded spirits" but also a glimmer of hope for eventual coexistence in the Promised Land.

Arab and Jew: Wounded Spirits in a Promised Land - David K ...

Arab & Jew: Wounded Spirits in a Promised Land by David Shipler is an extraordinary, powerful & balanced glimpse at life in Israel & the Palestinian Territories by the former New York Times correspondent, based in Jerusalem. I found the book quite engrossing because it seemed so open to the people who live there and to the possibilities, however slim, for an eventual reconciliation between the Arabs & Jews who share and contest the area also known as the Holy Land.

Arab and Jew: Wounded Spirits in a... book

The one weakness of Arab and Jew is that after awhile it becomes different variations on a theme, with endless stories that resemble others told countless times before it. It is important for each voice to be heard of course, but its length seemed to me to rob the book of a bit of its urgency, and it was in all honesty a bit tough to finish.

Arab And Jew Wounded Spirits In A Promised Land Revised Updated David K Shipler

The expanded and updated edition of David Shipler's Pulitzer Prize-winning book that examines the relationship, past and present, between Arabs and Jews In this monumental work, extensively researched and more relevant than ever, David Shipler delves into the origins of the prejudices that exist between Jews and Arabs that have been intensified by war, terrorism, and nationalism. Focusing on the diverse cultures that exist side by side in Israel and Israeli-controlled territories, Shipler examines the process of indoctrination that begins in schools; he discusses the far-ranging effects of socioeconomic differences, historical conflicts between Islam and Judaism, attitudes about the Holocaust, and much more. And he writes of the people: the Arab woman in love with a Jew, the retired Israeli military officer, the Palestinian guerrilla, the handsome actor whose father is Arab and whose mother is Jewish. For Shipler, and for all who read this book, their stories and hundreds of others reflect not only the reality of wounded spirits but also a glimmer of hope for eventual coexistence in the Promised Land.

This video based on David Shipler's book examines the tension between Arabs and Jews living within the lands under the jurisdiction of the Israeli state, including the West Bank and the Gaza strip. The program takes an intimate look at Israeli and Palestinian society and the complicated relationships in the former Arab territories now under the jurisdiction of the state of Israel. It also examines the origins of the division between these peoples beginning with Israel's 1948 War for Independence. The long unresolved issues of intolerance, repression and difereing beliefs or social status have brought about a continuing state of war for both Arab and Jew in the former Arab territories now under the jurisdiction of the state of Israel. Locked in a prolonged struggle, few of the participants in the political strife can see beyond the narrow confines of their own personal suffering.

Arab And Jew Wounded Spirits In A Promised Land Revised Updated David K Shipler

Traces the history of Israel and its relations with its Arab neighbors, examines American policy concerning the region, and discusses the advantages of a negotiated peace

From the author of the Pulitzer Prize-winning Arab and Jew, an intimate portrait unfolds of working American families struggling against insurmountable odds to escape poverty. As David K. Shipler makes clear in this powerful, humane study, the invisible poor are engaged in the activity most respected in American ideology—the hard, honest work. But their version of the American Dream is a nightmare: low-paying, dead-end jobs; the profound failure of government to improve upon decaying housing, health care, and education; the failure of families to break the patterns of child abuse and substance abuse. Shipler exposes the interlocking problems by taking us into the sorrowful, infuriating, courageous lives of the poor—white and black, Asian and Latino, citizens and immigrants. We encounter them every day, for they do jobs essential to the American economy. This impassioned book not only dissects the problems, but makes pointed, informed recommendations for change. It is a book that stands to make a difference.

Children of the Stone is the unlikely story of Ramzi Hussein Aburedwan, a boy from a Palestinian refugee camp in Ramallah who confronts the occupying army, gets an education, masters an instrument, dreams of something much bigger than himself, and then inspires scores of others to work with him to make that dream a reality. That dream is of a music school in the midst of a refugee camp in Ramallah, a school that will transform the lives of thousands of children through music. Daniel Barenboim, the Israeli musician and music director of La Scala in Milan and the Berlin Opera, is among those who help Ramzi realize his dream. He has played with Ramzi frequently, at chamber music concerts in Al-Kamandjati, the school Ramzi worked so hard to build, and in the West-Eastern Divan Orchestra that Barenboim founded with the late Palestinian intellectual, Edward Said. Children of the Stone is a story about music, freedom and conflict; determination and vision. It's a vivid portrait of life amid checkpoints and military occupation, a growing movement of nonviolent resistance, the past and future of musical collaboration across the Israeli-Palestinian divide, and the potential of music to help children see new possibilities for their lives. Above all, Children of the Stone chronicles the journey of Ramzi Aburedwan, and how he worked against the odds to create something lasting and beautiful in a war-torn land.

An impassioned critique of breakdowns in civil rights in the United States throughout the past decade explores specific causes and their impact on everyday life while sharing the stories of innocent individuals whose lives have been painfully challenged. By the Pulitzer Prize-winning author of Arab and Jew. Reprint.

A groundbreaking book that dissects a slanderous history dating from cinema's earliest days to contemporary Hollywood blockbusters that feature machine-gun wielding and bomb-blowing "evil" Arabs Award-winning film authority Jack G. Shaheen, noting that only Native Americans have been more relentlessly smeared on the silver screen, painstakingly makes his case that "Arab" has remained Hollywood's shameless shorthand for "bad guy," long after the movie industry has shifted its portrayal of other minority groups. In this comprehensive study of over one thousand films, arranged alphabetically in such chapters as "Villains," "Sheikhs," "Cameos," and "Cliffhangers," Shaheen documents the tendency to portray Muslim Arabs as Public Enemy #1—brutal, heartless, uncivilized Others bent on terrorizing civilized Westerners. Shaheen examines how and why such a stereotype has grown and spread in the film industry and what may be done to change Hollywood's defamation of Arabs.
