Get the full scoop on Great Britain's best-loved sports car manufacturer with Aston Martin DB, an exquisitely produced, photo-loaded, history by Aston Martin expert, Andrew Noakes. The name David Brown is synonymous with the glory days of Aston Martin, when a tiny British sports car company was rescued from near-extinction and turned into a marque that could compete with Ferrari--and win. Stylish design, lavish illustration and meticulously researched text come together in this large-format, 224-page book to create a superb celebration of the 70th anniversary of DB Aston Martins in 2017. There's a wealth of detail on the Aston Martin DB road and race cars, both from the David Brown era of 1947-1972 and the modern DB era from 1993 onwards, together high quality images and specification tables for all the key models. Aston Martin DB 70 Years is a fitting celebration of one of the world's most enduring sports cars. The fast, beautiful sports cars that Aston Martin built under Brown's ownership won the Le Mans 24-hour race and the World Sports Car Championship, and provided James Bond with his most famous transport: the ejector-seat equipped DB5 that won acclaim in Goldfinger. Though the DB era ended when Brown sold the company in 1972, its influence continued to be felt. James Bond's most recent car, the specially-made DB10, and Aston Martin has just launched its most complete car ever, the DB11. 'DB' means as much to Aston Martin now as ever.

For nearly a century now the Aston Martin name has been synonymous with performance, style and sophistication. Perhaps more than any other luxury car it possesses a mystique and charisma that have established it as a cultural icon And The pinnacle of aut

A detailed guide to successfully trading stock and commodity options After numerous years as an options market-maker in the trenches of the New York Mercantile Exchange, few analysts know how to make money trading options like author Lee Lowell. Now, in the Second Edition of Get Rich with Options, Lowell returns to show you exactly what works and what doesn't. Filled with in-depth insight and expert advice, this reliable resource provides you with the knowledge and strategies needed to achieve optimal results within the options market. It quickly covers the basics before moving on to the four options trading strategies that have helped Lowell profit in this arena time and again: buying deep-in-the-money call options, selling naked put options, selling option credit spreads, and selling covered calls. Breaks down four of the best options trading strategies currently available Explains how to set up a home-based business with the best options trading software, tools, and Web sites Contains detailed discussions of how options can be used as a hedging or speculating instrument With this book as your guide, you'll quickly see options in a whole new light and learn how to become part of a small group of investors who consistently win.

The automobile industry is evolving rapidly on a worldwide basis. Manufacturers are merging, component design and manufacture are now frequently outsourced instead of being created in-house, brands are changing and the giant auto makers are expanding deeper into providing financial services to car buyers. The skyrocketing price of gas spurs developments in hybrid technology and clean diesel, as manufacturers look for ways to improve fuel efficiency. Meanwhile, all of the biggest, most successful firms have become totally global in nature. Plunkett's Automobile Industry Almanac will be your complete guide to this immense, fascinating industry. On the car dealership side, giant, nationwide holding companies have acquired the best dealers in major markets. Even the used car business is being taken over by national chains. E-commerce is having profound effects on the car industry. Consumers use the Internet to become better informed before making a purchase. Online sites like Autobytel steer millions of car buyers toward specific dealers while the same sites deliver competing bids for cars, insurance and financing in a manner that lowers costs and improves satisfaction among consumers. Meanwhile, auto makers are using the latest in e-commerce methods to manage their supply chains and replenish their inventories. This exciting new book (which includes a database on CD-ROM) is a complete reference tool for everything you need to know about the car, truck and specialty vehicles business, including:

Automotive industry trends and market research; Mergers, acquisitions, globalization; Automobile manufacturers; Truck makers; Makers of
