large-page format. Renowned artists Charles Stern and Lauren Keswick worked alongside Dr. Gliedman and his associates to record the essential elements and highlight the clinical significance of each procedural step. Concise facing-page explanatory text guides you through each procedure. Succinctly covered in step-by-step fashion are the surgical approaches for performing each procedure, surgical tricks, "acceptable alternative techniques, and common pitfalls. The surgical techniques detailed in the Atlas are based on those employed on the surgical service at Albert Einstein College of Medicine/Montefiore Medical Center. This collaboration of surgeons who have worked together for over two decades, and a team of artists who worked with each surgeon, ensures a continuity of approach and uniformity of presentation that
