For our purposes, it's enough to say that contraception violates the natural law because contraception acts against the natural end, or goal, of sexual intercourse, which is the coming to be of new human life. Sexual intercourse is, in Janet Smith's fine phrase, clearly ordained to "babies and bonding."

Applying Natural Law to Contraception | St. Paul Center

Birth Control Violates Natural Law. "The very opportunities birth control affords women have detrimentally affected women. Birth control and abortion, by increasing illegitimate births, has led to 'the feminization poverty'; men are no longer forced to marry the women they impregnate, yet women still overwhelmingly bear the cost of pregnancy. Oddly, the financial gains by women are not making them happier, as, 'Women whose husbands are the breadwinners tend to be happier than other ...
