From Nafisa Haji, author of the critically acclaimed novel, The Writing on My Forehead, comes The Sweetness of Tears, an emotional, deeply layered story that explores the far reaching effects of cultural prejudice, forbidden love, and hidden histories on a young woman and her family. A paperback original from a superb writer whose first novel was enthusiastically praised by Khaled Hosseini, bestselling author of The Kite Runner and A Thousand Splendid Suns, Haji, an American of Indo-Pakistani descent, writes with grace, heart, and wisdom about the collisions of culture and religion, tradition and modernity played out through individual lives.

From childhood, willful, intelligent Saira Qader broke the boundaries between her family’s traditions and her desire for independence. A free-spirited and rebellious Muslim-American of Indo-Pakistani descent, she rejected the constricting notions of family, duty, obligation, and fate, choosing instead to become a journalist, the world her home. Five years later, tragedy strikes, throwing Saira’s life into turmoil. Now the woman who chased the world to uncover the details of other lives must confront the truths of her own. In need of understanding, she looks to the stories of those who came before—her grandparents, a beloved aunt, her mother and father. As Saira discovers the hope, pain, joy, and passion that defined their lives, she begins to face what she never wanted to admit—that choice is not always our own, and that faith is not just an intellectual preference.

Sage, a part-human, part-bonobo chimpanzee female is raised in a remote corner of Oregon, finds herself the center of unwanted attention when her existence becomes public and she is threatened with being separated from her family. Original.

In this heartwarming story of love, family and baked goods, bakery owner Hope McKenna-Smith, the divorced mother of a surly preteen girl, is summoned by her aging grandmother who, ready to reveal the secret she has kept for 70 years, sends her on a journey across the world that will forever change her life. Original. 50,000 first printing.

I AM SO IN LOVE WITH YOU CHARLIE. I CAN’T SEE STRAIGHT.Ex-Commando Deck Johnston has a busy life. He is the boss of a successful construction company. The Co-Founder and Sergeant At Arms of the Wounded Souls MC. And he is a single father to a three-year old Blue-eyed raven-haired princess, who has a liking for swearing,guns, cammo and pink tutu’s.Deck’s life is full. and he isn’t looking for anything more.

Fans around the world adore the bestselling No. 1 Ladies’ Detective Agency series and its proprietor, Precious Ramotswe, Botswana’s premier lady detective. In this charming series, Mma Ramotswe—with help from her loyal associate, Grace Makutsi—navigates her cases and her personal life with wisdom, good humor, and the occasional cup of tea. Precious Ramotswe is the eminently sensible and cunning proprietor of the only ladies’ detective agency in Botswana. In Tears of the Giraffe she tracks a wayward wife, uncovers an unscrupulous maid, and searches for an American man who disappeared into the plains many years ago. In the midst of resolving uncertainties, pondering her impending marriage to a good, kind man, Mr. J. L. B. Matekoni, and the promotion of her talented secretary (a graduate of the Botswana Secretarial College, with a mark of 97 per cent), she also finds her family suddenly and unexpectedly increased by two.

From the best-selling author of One Day comes a bittersweet and brilliantly funny coming-of-age tale about the heart-stopping thrill of first love—and how just one summer can forever change a life. Now: On the verge of marriage and a fresh start, thirty-eight year old Charlie Lewis finds that he can’t stop thinking about the past, and the events of one particular summer. Then: Sixteen-year-old Charlie Lewis is the kind of boy you don’t remember in the school photograph.

He’s failing his classes. At home he looks after his depressed father—when surely it should be the other way round—and if he thinks about the future at all, it is with a kind of dread. But when Fran Fisher bursts into his life and despite himself, Charlie begins to hope. In order to spend time with Fran, Charlie must take on a challenge that could lose him the respect of his friends and require him to become a different person. He must join the Company. And if the Company sounds like a cult, the truth is even more appalling: The price of hope, it seems, is Shakespeare, Romeo and Juliet learned and performed in a theater troupe over the course of a summer. Now: Charlie can’t go the altar without coming to terms with his relationship with Fran, his friends, and his former self. Poignant, funny, enchanting, devastating, Sweet Sorrow is a tragicomedy about the rocky path to adulthood and the confusion of family life, a celebration of the reviving power of friendship and that brief, searing explosion of first love that can only be looked at directly after it has burned out.

Sliding Doors meets P.S. I Love You in this richly told novel from the author of The Sweetness of Forgetting about the struggle to overcome the past when our memories refuse to be forgotten. After her husband’s sudden death over ten years ago, Kate Waithman never expected to be lucky enough to find another love of her life. But now she’s planning her second walk down the aisle to a perfectly nice man. So why isn’t she more excited? At first, Kate blames her lack of sleep on stress. But when she starts seeing Patrick, her late husband, in her dreams, she begins to wonder if she’s really ready to move on. Is Patrick trying to tell her something? Attempting to navigate between dreams and reality, Kate must uncover her husband’s hidden message. Her quest leads her to a sign language class and into the New York City foster system, where she finds rewards greater than she could have imagined.

A “stunningly written memoir” that takes you on the journey of a child abuse and sexual assault survivor turned activist. Photo Gallery included (Medium). A #1 Bestseller in Cults & Demonism and Parenting & Relationships When Misty Griffin was six years old, her family started to live and dress like the Amish. Misty and her sister were kept as slaves on a mountain ranch and subjected to almost complete isolation, sexual abuse, and extreme physical violence. Their stepfather kept a loaded rifle by the door to make sure the young girls were too terrified to try to escape. No rescue would ever come since the few people who knew they existed did not care. When Misty reached her teens, her parents feared she and her sister would escape and took them to an Amish community. Devastated to again find herself in a world of fear, cruelty, and abuse, Misty was sexually assaulted by the bishop. After she escaped and reported the bishop, she found herself alone in a modern world with only a second-grade education and no ID or social security card. Misty has a message for abuse survivors: “Please be encouraged, the cycle of abuse can be broken. This is my story of survival and moving past the abuse to embrace my dreams.” In June 2019 Misty graduated nursing school. She continues to work to raise awareness about child abuse and sexual assault. “A testament to the courage, fortitude and power of one young woman to take back her life.” —Becca Anderson, author of The Book of Awesome Women

Traces the life and career of the late Chicago Bears star, from his early athletic triumphs that helped bridge racial gaps in his segregated Mississippi childhood community through the tragic illness that ended his life.
