again!!!” - Nadine “I am in a position to "graduate" from your recovery program. After over 45 years of disordered eating this is quite incredible! I would like to express my profound gratitude to you for compiling a system that works. Once more I have a potential to live life, be happy, healthy and help others along the way.” -

Read Free Brain Over Binge

Pat Mary “I had bulimia for 13 years when I came across this program. I am not sure what compelled me to purchase because I secretly believed that there was nothing that could help me, but now almost 6 months later I am no my way to being free of bulimia forever” - Sarra

Read Free Brain Over Binge

Little changes can make a big, big difference! In *The Little Book of Big Change*, psychologist Amy Johnson shows you how to rewire your brain and overcome your bad habits—once and for all. No matter what your bad habit is, you have the power to change it. Drawing on a powerful combination of neuroscience and

Read Free Brain Over Binge

spirituality, this book will show you that you are not your habits. Rather, your habits and addictions are the result of simple brain wiring that is easily reversed. By learning to stop bad habits at the source, you will take charge of your habits and addictions for good. Anything done repeatedly has the potential to form neural

Read Free Brain Over Binge

circuitry in the brain. In this light, habits and addictions are impersonal brain wiring problems that result from taking your habitual thinking as truth, and acting on that thinking in the form of doing your habit—over and over. This book offers a number of small changes you can make in your everyday life that will help you stop

Read Free Brain Over Binge

your bad habit in its tracks. If you want to understand the science behind your habit, make the decision to end it, and commit to real, lasting change, this book will help you to finally take charge of your life—once and for all.

Featuring an honest account of the author's
