They know innovations ' dirty little secret: Most innovations fail. Sure a lot of ideas fail because they are goofy, poorly thought out or poorly executed. But just as many great ideas never get off the ground. Just check out the patent office. It ' s filled with plans for better mouse traps that nobody wanted. Successful serial-innovators seem to know this. They know when to bail out and how ...

Innovation's Dirty Little Secret: Why Serial Innovators ...

What is the dirty little secret of innovation? It ' s simply this: most innovations fail. They always have. And they always will. It doesn ' t matter whether we ' re talking about a new product, a new program, or a new process. It can be a new company or even a new church. When it comes time to start something new or make a major change, the surest horse you can bet on is the one called ...
