Children's Literature: A Very Short Introduction provides an overview of the history of children's literature as it has developed in English, introducing key debates, developments, and figures in the field. This vast and amorphous subject is both intimately related to other areas of literary and cultural investigation but also has its own set of concerns, issues, and challenges.

Children's Literature: A Very Short Introduction ...

Outside academia, the term "children's literature" has a largely unproblematic, everyday meaning. From newspapers and other media to schools and in government documents, it is understood to refer to the materials written to be read by children and young people, published by children's publishers, and stocked and shelved in the children's and/or young adult (YA) sections of libraries and ...

Children's Books | The Works

Although this is a "very short" introduction, this book is packed with information about children's literature. Even though I have to read it for school, I couldn't put it down, because it was quite interesting. I have to write an informative essay about children's literature for English class. Hopefully, I will get a good grade on it.
