In this important new work, J. Harvey analyzes what is involved in serious but subtle forms of oppression involving neither physical violence nor the use of law, and argues for the crucial role of morally distorted relationships in such oppression. She uncovers a set of underlying moral principles that account for the immorality of civilized oppression, and points to some of the implications ...

Description. In this important new work, J. Harvey analyzes what is involved in serious but subtle forms of oppression involving neither physical violence nor the use of law, and argues for the crucial role of morally distorted relationships in such oppression. She uncovers a set of underlying moral principles that account for the immorality of civilized oppression, and points to some of the implications for social and institutional life.

Civilized Oppression - J. Harvey - 9780847692750

The title of Harvey's book refers to something insidious in our so-called civilized societies. Harvey's focus is on human relationships. She is not concerned with long lasting relationships between partners or family members, but the relationships that exist between all of us as members of a moral community.

Civilized Oppression by J. Harvey (9780847692743)

Yet this new book also stands on its own and is an important development of Harvey's insights into the relationships among the agents of civilized oppression, their victims, and the bystanders who witness it. Drawing upon feminist philosophy, Harvey recognizes the 'shared fallibility' of agents, bystanders, and victims alike, and argues compellingly for the importance of personal relationships and moral solidarity as ways to resist civilized oppression."

Civilized Oppression and Moral Relations - J. Harvey ...

We report with sadness the death of Prof. Jean Harvey of the University of Guelph, on Sunday, April 20, 2014. Jean Harvey was the author of Civilized Oppression (Rowman & Littlefield, 1999) and numerous articles on topics ranging from social justice, to moral solidarity, to companion-animals. In her work, Jean Harvey unhesitatingly drew upon feminist philosophy and advanced visions of a better and more just society.

Harvey (1999) suggested the term "civilized oppression", which he introduced as follows: It is harder still to become aware of what I call 'civilized Oppression,' that involves neither physical violence nor the use of law. Yet these subtle forms are by far the most prevalent in Western industrialized societies.
