The experience of recent years has also led the United Nations to focus as never before on peacebuilding – efforts to reduce a country's risk of lapsing or relapsing into conflict by strengthening...

---

Peacebuilding and Post-Conflict Recovery - United Nations

Peacebuilding is a long-term process of encouraging people to talk, repairing relationships, and reforming institutions. For positive change to last, everyone affected by a destructive conflict has to be involved in the process of building peace. Transforming relationships is key to putting an end to violence.

The Peacebuilding Fund is used as an instrument of first resort to respond to and prevent conflict. But the impact of an Aug. 18 coup and the ongoing COVID-19 pandemic have placed the country in an unprecedented economic crisis, she said.

---

Solving the Challenge of Food Security Key to ...

Deep knowledge of the specific conflict, in turn, can tell us how likely it is that a peacebuilding strategy designed to address these factors will contribute to the consolidation of peace. Recognition of the value of a dual approach is reflected in the work of the many scholars who increasingly employ both of them in their research (Doyle and Sambanis 2006; Call 2012; Caplan and Hoeffler 2017).

---

Studying Conflict and Practicing Peacebuilding

Peacebuilding is an activity that aims to resolve injustice in nonviolent ways and to transform the cultural & structural conditions that generate deadly or destructive conflict. It revolves around developing constructive personal, group, and political relationships across ethnic, religious, class, national, and racial boundaries. This process includes violence prevention;

making development programmes in conflict areas more sensitive to conflict dynamics

Importantly, peacebuilding is done collaboratively, at local, national, regional and international levels. Individuals, communities, civil society organisations, governments, regional bodies and the private sector all play a role in building peace.

---

What is peacebuilding? | International Alert

Post-Conflict Peace Building - NGO Working Group on Women, Peace and Security. The term peacebuilding covers a wide, multidimensional range of activities: from disarming, demobilizing and reintegrating warring factions, to rebuilding political, economic, judicial and civil society institutions. The UN established its Peacebuilding Commission (PBC), an intergovernmental advisory body, by Security Council Resolutions 1645 (2005) and General Assembly resolution 60/180 (2005).

---

Post-Conflict Peace Building - NGO Working Group on Women ...

Peacebuilding can include conflict prevention; conflict management; conflict resolution and transformation, and post-conflict reconciliation. Peacebuilding becomes strategic when it works over the long run and at all levels of society to establish and sustain relationships among people locally and globally.
