The development of Modernist architecture in India. September 26, 2011 Sreekanth P S. The concept of “Modernism” in 20th century Indian architectural development remains difficult to grasp, as it was used within numerous stylistic developments, following the spirit of the day. Starting with the efforts made by Europeans in the 1920s, the idea of “modern architecture” as a revolutionary and innovative force started to make cautious headway in India in the early 1930s.
