Death and dying in contemporary society: an evaluation of ...

Throughout the 19th and early 20th centuries, most deaths occurred with little warning, typically due to short-term infectious diseases. In the contemporary United States, death typically happens to older adults following a long-term chronic illness. Most older adults die in institutions rather than at home, and many rely on life-extending medical technologies.

A Good Death - An Early Modern Obsession. by Sam Dawson. In Early Modern England*, death was viewed indelibly through the analogue of Christianity. The deathbed was a spiritual drama, a battle for the dying individual's soul between the forces of God and the demons of Satan. If the individual died well, peacefully, with family and priest, then salvation was assumed to be theirs.
