Disabled Children: a legal handbook is an authoritative yet accessible guide to the legal rights of disabled children and their families in England. The authors expertly navigate the many, often overlapping, sources of law, explaining the difference between what public bodies must do to support disabled children and that which they may do. The handbook aims to empower disabled children and their families through a greater understanding of their rights and entitlements.

Overview. Disabled Children: a legal handbook is an authoritative, yet accessible guide to the legal rights of disabled children, young people and their families in England. The law in relation to this important group is complex and frequently misunderstood by those who have duties and responsibilities towards them.

Legal Action Group | Disabled Children - A legal handbook

By Ed Mitchell on March 19, 2010 in Children, Disability, Legal. Ed Mitchell examines recent court cases involving disabled children to help councils' and practitioners' decision-making remain within the law. Busy practitioners working with disabled children will not welcome the distraction of legal challenges to their work.
