Donner Dinner Party is a part of the Nathan Hale's Hazardous Tales series, which are graphic novels based on various events in history, usually ones that are a bit weird or gruesome. Obviously, the story of the Donner Party is gruesome, but this graphic novel was not graphic (ha ha, you know what I mean).

The Donner Party isn't one of those. Many wagon trains attempted the hazardous trip West to California, but the Donner Party is remembered in American folklore for only one distasteful aspect of their cross-country trip. To begin with the wonder is how Nathan Hale's going to deal with that in a book ostensibly intended to educate children.
