## ~~Erasing Death: The Science That Is Rewriting the ...~~ Parnia

Due to a revolution in the field of modern resuscitation science, particularly over the past decade, now we can. Today, by the lexicon of modern resuscitation science, death is in fact fully reversible. Death can no longer be considered an absolute moment but rather a process that can be reversed even many hours after it has taken place.

## ~~Sam Parnia~~—Wikipedia

Time of death is considered when a person has gone into cardiac arrest. This is the cessation of the electrical impulse that drive the heartbeat. As a result, the heart locks up.
