A Moving Story of Redemption and Second Chances Jep Robertson, the youngest son of Duck Commander Phil Robertson, and his wife, Jessica, open up about their personal trials, their early years together, and the challenges that might have destroyed them both had the grace of God not intervened. Jep describes being molested as a child and his reluctance to tell anyone until only a few years ago, his downward spiral into drug and alcohol abuse, and the eventual intervention of his family. Jessica shares about the difficult failure of her first marriage while still a teenager and the hurt that came along with it, much of it from the church. Her insecurities spun out of control as she wondered whether she would ever be good enough or pretty enough. This book is their love story but, more importantly, their love story for God. " We are desperate to let people know that no matter what you ' ve done; no matter what you ' ve lived through, you can come out of it. You can be washed clean. You are redeemed."

Life has a way of taking the life out of us. Often we go through situations where the challenge seems so much greater than our strength. During such times, we can find hope and inspiration from the story of Joshua. God had called Joshua to take over from Moses and lead the Israelites into a paradigm shift from wilderness wandering to promise-believing. In Canaan, they would not fight for victory but fight from victory. God had a Promised Land in store for them, but they had to grasp that reality, change their mindsets, and take action to receive it. The same is true for us today. God is telling us that our best days--our "glory days"--are still ahead of us. We only need to grasp that truth and live in faith to realize this promise. This study guide includes leader helps, discussion questions, conversation starters, and between-session activities to enhance your understanding and application of Max's teaching. Sessions include: These Days Are Your Glory Days (26:00) Inherit Your Inheritance (30:00) Walk Circles Around Jericho (24:00) Pray Audacious Prayers (22:00) No Falling Words (23:00) God Fights for You (22:00) This pack contains one study guide and one DVD.

Learn from the fierce women of God who changed the world. The word fierce is trendy. It is used to describe women who are extreme athletes, high-level executives, or supermodels. Women at the top of their game. But what about the rest of us? Can we be fierce? Absolutely! In fact, women like us have been changing the world for thousands of years—many who received little fanfare yet lived fiercely anyway. In this six-week study we will look at lesser-known female characters in the Bible and the ways they changed the world by living into God ' s calling, including: The midwives of Egypt (Shiphrah and Puah), who made hard decisions in the face of evil Deborah, who was an unlikely and powerful leader Naaman's slave girl, who bravely points others to God's healing power The Woman at the Well, who boldly repented and shared her faith Lois and Eunice, who parented with intentionality and effectiveness Dorcas, who showed kindness to those in need. As we explore their lives, we will discover how we too can live into our callings, honor the Lord, and even change the world through our courage, faithfulness, and obedience. Bible Study Features: A six-week study of lesser-known female characters in the Bible. Helps women consider how they can be fierce women of God. Workbook includes five devotional lessons for every week of study. Each DVD segment features an opening " fierce " vignette followed by engaging Bible teaching with practical life application. Other components for the Bible study, available separately, include a Leader Guide and DVD.
