Family Budget Example: Sample Budget for a Family of Five

How to budget. Think 'budget' and the mental image of a middle-aged man brandishing a battered briefcase usually springs to mind. But no, not that Budget, we're talking your family budget - your household's income and outgoings (which, hopefully, aren't quite as scary as the British economy's).

How to Budget

To calculate your budget, you'll need to know how much your family earned and how much you spent. Don't estimate; use documentation -- credit card bills, utility bills, pay stubs, and receipts -- to tabulate the budget. If your data is wrong, your budget will be too. Other expenses might include rent payments, gas, groceries, and dining out.

3 Ways to Make a Family Budget - wikiHow

Living on a tight budget tips There are a few things you can do to help you budget when things are tight: Budget weekly instead of monthly - a month can be a long time. A week, on the other hand, goes fast and so it'll never seem like long until you're at the start of a new budget!
