The phenomenal "New York Times" bestseller that has the world talking--a practical guide for the terminally ill to dying with dignity through assisted suicide. Finally available in paperback, this considerate book is for mature adults who are considering the option of ending their lives because of unbearable pain or terminal illness. Copyright © Libri GmbH. All rights reserved.

First published in the US in 1991 by the Hemlock Society, it discusses the practicalities of suicide and assisted suicide for those terminally ill, and is intended to inform mature adults suffering from a terminal illness. It also gives guidance to those who may support the option of suicide under those circumstances. The Australian edition was prepared by Dr Helga Kuhse. The author is a US journalist who has written or co-authored books on civil liberties, racial integration and euthanasia and is a past president of the World Federation of Right to Die societies. Sales of the book are category one restricted: not available to persons under 18.

The original pub'n. of Final Exit stunned the nation by offering people with terminal illness a choice on how -- & when -- to end their suffering. It helped thousands by giving clear instructions to doctors, nurses, & families on how to handle a patient's request for euthanasia. This revised 2nd edition goes far beyond the original to provide new info. about the legality of euthanasia & assisted suicide, & a thoughtful examination of the personal issues involved. This is the essential source to help loved ones & supportive doctors remain within existing laws & keep a person's dying intimate, private, & dignified. Explains a better alternative to a living will; updates where to get proper drugs & how to carry out the quickest, most peaceful way to make a final exit.

An updated edition of a controversial best-seller shows people looking to end their suffering from unbearable pain due to terminal or incurable illness how to prepare for and commit suicide and offers other relevant information on such issues as euthanasia, living wills, hospice care, legal implications, and more. Original.

Discusses passive and active euthanasia, describes the laws concerning assisted suicide, and examines suicide methods used by the terminally ill

Where To Download Final Exit The Practicalities Of Self Deliverance And Isted For The Dying

At a time when tempers flare over the Oregon assisted suicide law and Jack Kevorkian's physician-aid-in-dying, *Last Wish*, Betty Rollin's groundbreaking New York Times bestseller, is due for a rereading. *Last Wish* is an intimate, fiercely honest memoir of a daughter's struggle to come to terms with her terminally ill mother's decision to die. More than an examination of the ethical, spiritual, and technical aspects of assisted suicide, *Last Wish* is also a celebration of Rollin's imperfect family, a passionate testament to her mother's character and courage, and a compelling argument for the right of the terminally ill to a humane and dignified death. The PublicAffairs paperback edition includes a new foreword, questions for thought and discussion, and a helpful resource guide.

For nearly four decades, Derek Humphry has blazed a trail for the right to die movement. He founded the Hemlock Society, pioneered Oregon's Death with Dignity Act, and wrote the bestselling books *Final Exit* (more than one million copies sold, and a New York Times bestseller for eighteen weeks) and *Jean's Way* (UK bestseller). But before his wife's terminal illness ravaged his life, Humphry was a successful journalist. In *Good Life, Good Death*, readers will learn how the twists and turns of fate led him to his life's purpose. In his poignant memoir, Derek tells of his broken family, his wartime experiences as a boy in England, and rising to the highest rungs of journalism on two continents. In 1975, he lived with crippling fear and sadness when his beloved wife, Jean, was diagnosed with cancer. As the disease gradually spread, they both decided that rather than let a terminal illness run its course through extreme physical and emotional pain, Jean would end her own life on her own terms, at an agreed upon time and manner, arranging her own last days. Readers will witness the personal pain and emotional distress they endured, as well as the legal repercussions Derek faced following her death. As Humphry writes, "It would be far more preferable to legalize medically assisted suicide for terminally ill adults, for it is a tremendous strain and risk put on families." To know why he has maintained this struggle for choice in dying, against powerful religious and political forces it is necessary to understand the whole man. In *Good Life, Good Death*, readers will appreciate the fight he has gone through so that others might consider the option of dying with dignity.

Assesses the pros and cons of euthanasia and examines significant legal and medical precedents that affect the right to die, in a treatment that covers active and passive euthanasia and suicide

Literature Suppressed on Sexual Grounds, Revised Edition examines the issues underlying the suppression of more than 100 works deemed sexually obscene. The entries new to this edition include *America* by Jon Stewart, *Sex* by Madonna, *The Buffalo Tree* by Adam Rapp, and many more. Also included are updates to entries such as *Forever* by Judy Blume, and more
