skills students will learn. Curriculum addresses all domains of learning and all types of learners. Instruction includes the ways (approaches, strategies, environments, materials, Instruction . interactions) Educators choose to teach the curriculum, based on the needs of their students.

The New York State Prekindergarten Learning Standards
Many very different kinds of writing are considered "good" and for many different reasons. There is no formula or program for writing well. However, there are certain qualities that most examples of good writing share. The following is a brief description of five qualities of good writing: focus, development, unity, coherence, and correctness.

Five Qualities of Good Writing Ā Hunter College
Opinion analysis and political endorsements from The New York Times editorial board.

Editorials - The New York Times
No i dont think schools provide enough opportunity for kids to be creative. some schools think that just academics are the key but some students can be very successful with music dance or technology. schools dont focus on things like that. a few do but most dont.
