Test questions are provided for each chapter of this textbook, together with detailed mark schemes to make assessment easy. Two versions of each question are provided. One allows pupils to write their answers in the spaces provided and the other requires pupils to have separate writing paper. Questions can be grouped according to needs. Master grids are provided to cut and paste tests together in a consistent format to use the resource in any order. Chapter tests can be grouped to form a module test after chapters. End-of-chapter examinations can also be produced in this way. A free non-calculator supplement organized by unit/chapter is also included in this resource.

Megan is a 12-year-old girl with Supernatural powers. Some of them are still only partially developed and others are working, but she doesn't know how to use them yet. Her biggest problems for the moment is finding a Teacher who can show her how to use them properly. Another is that she doesn't know anyone who knows anything about Supernatural powers. In fact, her mother is violently against the Supernatural, as was her mother before her. The only people who seem willing to help her are dead, not that that makes any difference to Megan. She embraces their help with open arms

In this episode, Megan, the psychic teen, has to sit her first real exams and she finds the prospect so daunting that she makes herself ill. Her father and her Spirit Guide, Wacinhinsha come to the rescue, but are they in time?
