"Cast aside your cares and worries. Make yourself a Mai Tai, put your favorite exotica record on the hi-fi, and prepare to lose yourself in the fantastical world of tiki, one of the most alluring—and often misunderstood—movements in American cultural history. Martin and Rebecca Cate, founders and owners of Smuggler's Cove (the most acclaimed tiki bar of the modern era) take you on a colorful journey into the lore and legend of tiki: its birth as an escapist fantasy for Depression-era Americans; how exotic cocktails were invented, stolen, and re-invented; Hollywood starlets and scandals; and tiki's modern-day revival. Featuring more than 100 delicious recipes (original and historic), plus a groundbreaking new approach to understanding rum, Smuggler's Cove is the magnum opus of the contemporary tiki renaissance. Whether you're looking for a new favorite cocktail, tips on how to trick out your home tiki grotto, help stocking your bar with great rums, or inspiration for your next tiki party, Smuggler's Cove has everything you need to transform your world into a Polynesian Pop fantasia!"-

With culinary nationalism defined as a process in flux, as opposed to the limited concept of national cuisine, the contributors of this book call for explicit critical comparisons of cases of culinary nationalism among Asian regions, with the intention of recognizing patterns of modern culinary development. As a result, the formation of modern cuisine is revealed to be a process that takes place around the world, in different forms and periods, and not exclusive to current Eurocentric models. Key themes include the historical legacies of imperialism/colonialism, nationalism, the Cold War, and global capitalism in Asian cuisines; internal culinary boundaries between genders, ethnicities, social classes, religious groups, and perceived traditions/modernities; and global contexts of Asian cuisines as both nationalist and internationalist enterprises, and "Asia" itself as a vibrant culinary imaginary. The book, which includes a foreword from Krishendu Ray and an afterword from James L. Watson, sets out a fresh agenda for thinking about future food studies scholarship.

"An excellent overview on the huge cultural influence Hawaii actually had and still has."—popcultureshell.com "At last, someone takes Hawai'i seriously, combining a scholar's eye and a fanatic's devotion to showing how small islands in the middle of nowhere changed our world, making it a richer and better place."—Jerry Hopkins, author, The Hula, Romancing the East and No One Here Gets Out Alive How did Hawaiian and Polynesian culture come to dramatically alter American music, fashion and decor, as well as ideas about race, in less than a century? It began with mainland hula and musical performances in the late 19th century, rose dramatically as millions shipped to Hawaii during the Pacific War, then made big leap with the advent of low-cost air travel. By the end of the 1950s, mainlanders were hosting tiki parties, listening to exotic music, lazing on rattan furniture in Hawaiian shirts and, of course, surfing. Increasingly, they were marrying people outside of their own racial groups as well. The author describes how this cultural conquest came about and the people and events that led to it.

#1 New Release in Wine & Spirits Buying Guides and Liqueur, Spirits & Mixed Drinks - Become a Cocktail Connoisseur If you liked The Drunken Botanist, The 12 Bottle Bar or The Savoy Cocktail Book, you'll love The Cocktail Companion Drink your way through history: The Cocktail Companion spans the cocktail's curious history—from its roots in beer-swilling 18th-century England through the illicit speakeasy culture of United States Prohibition to the explosive, dynamic industry it is today. Learn about famous and classic cocktails from around the globe, how ice became one of the most important ingredients in mixed drink making, and how craft beers got so big, all with your own amazing drink—that you made yourself!—in hand. Get advice from your favorite bartender: In The Cocktail Companion, well-known bartenders from around the country offer up advice on everything, including using fresh-squeezed juices, finding artisanal bitters, and creating perfect cubes of ice that will help create intriguing, balanced cocktails. You'll want to take your newfound knowledge from this cocktail book everywhere! The Cocktail Companion is a compendium of all things cocktail. This bar book features: 25 must-know recipes for iconic drinks such as the Manhattan and the Martini Cultural anecdotes and often-told myths about drinks' origins Bar etiquette, terms, and tools to make even the newest drinker an expert in no time!

Now revised, updated, and with new recipes, And a Bottle of Rum tells the raucously entertaining story of this most American of liquors From the grog sailors drank on the high seas in the 1700s to the mojitos of Havana bar hoppers, spirits and cocktail columnist Wayne Curtis offers a history of rum and the Americas alike, revealing that the homely spirit once distilled from the industrial waste of the booming sugar trade has managed to infiltrate every stratum of New World society. Curtis takes us from the taverns of the American colonies, where rum delivered both a cheap wallop and cash for the Revolution; to the plundering pirate ships off the coast of Central America; to the watering holes of pre-Castro Cuba; and to the kitsch-laden tiki bars of 1950s America. Here are sugar barons and their armies conquering the Caribbean, Paul Revere stopping for a nip during his famous ride, Prohibitionists marching against "demon rum," Hemingway fattening his liver with Havana daiquiris, and today's bartenders reviving old favorites like Planter's Punch. In an age of microbrewed beer and single-malt whiskeys, rum—once the swill of the common man—has found its way into the tasting rooms of the most discriminating drinkers. Complete with cocktail recipes for would-be epicurean time-travelers, this is history at its most intoxicating.

Offers forty essays that recount the quest for the perfect fat substitute, the best formula for sourdough bread, and other culinary grails

With the support of her two best friends, sixteen-year-old Kathleen tries to balance her summer volunteer work at the hospital with her responsibilities caring for her mother, who has multiple sclerosis, and her attraction to a handsome boy. Reprint.

A massive underground sensation, The Big Lebowski has been hailed as the first cult film of the internet age. In this book, 21 fans and scholars address the film's influences—westerns, noir, grail legends, the 1960s, and Fluxus—and its historical connections to the first Iraq war, boomers, slackerdom, surrealism, college culture, and of course bowling. The Year's Work in Lebowski Studies contains neither arid analyses nor lectures for the late-night crowd, but new ways of thinking and writing about film culture.
