Apple, (*Malus domestica*), fruit of the domesticated tree *Malus domestica* (family Rosaceae), one of the most widely cultivated tree fruits. The apple is a pome (fleshy) fruit, in which the ripened ovary and surrounding tissue both become fleshy and edible. The apple flower of most varieties requires cross-pollination for fertilization. When harvested, apples are usually roundish, 5 – 10 cm (2 – 4 inches) in diameter, and some shade of red, green, or yellow in colour; they vary in size, shape ...

Life Fruit are highlighted by the Spelunker buff or Spelunker Glowsticks by a yellow glimmer, like ores and treasures. Like many plants, Life Fruit will be uprooted if the ground beneath them changes to a type other than the Jungle grass they naturally grow on. Life Fruit currently has the highest Metal Detector value. This can make searching for ores or other valuables more difficult once full health has been reached as any errant Life Fruit will show up over everything else in the area.

~~Everywhere~~ on the roadside, in orchards, in gardens and even in religious institutions, you will see examples of this important fruit growing abundantly. Strangely enough, though, practically all the larger apples are of the eating variety; there are very few cooking apples here and the small apples you will see are strictly for the making of cider and its' derivatives - pommeau and calvados.

~~APPLES = the fruit of life~~

Eve is often depicted holding a fruit, which is most often thought to be an apple. The apple therefore has become synonymous with knowledge, corruption, immortality, temptation, the fall of man and sin, as it is associated with the Tree of Knowledge and the Garden of Eden in the Book of Genesis. The apple ' s meaning varies according to its position.
