Obituaries in this book were abstracted from The Atlanta Georgian and The Atlanta Constitution newspapers. The Atlanta Georgian, now extinct, published deaths of persons over the entire state, as did the Atlanta Constitution.

Requiem for a Lost City shows us the reality of Civil War Atlanta from the eve of secession to the memorials for the fallen, through the memories of a participant.

Sallie Clayton would have been the same age as the fictional Scarlett O'Hara during the Civil War. Sallie Clayton's memoirs, however, are not a work of fiction but bittersweet reminiscences of growing up in a doomed city in the midst of losing a war. Although her memoirs provide invaluable detail on Civil War Atlanta, they also tell of her personal experiences on a plantation in Montgomery, Alabama, and in postwar Augusta and Athens. Sallie Clayton belonged to one of Georgia's wealthiest and most prominent families. Her memoirs are colored by the losses suffered by her family. Robert Davis's introduction to this work illustrates the background of the Claytons, Sallie's writings, and Civil War Atlanta, providing a balanced account of life at "the crossroads of the Confederacy." The introduction also provides a corrective to the popular, *Gone With the Wind* view of Civil War Atlanta.

Read Book Georgia Obiries 1905 1910 Jeannette Holland Austin

Atlanta and Environs is, in every way, an exhaustive history of the Atlanta Area from the time of its settlement in the 1820s through the 1970s. Volumes I and II, together more than two thousand pages in length, represent a quarter century of research by their author, Franklin M. Garrett—a man called “a walking encyclopedia on Atlanta history” by the Atlanta Journal-Constitution. With the publication of Volume III, by Harold H. Martin, this chronicle of the South’s most vibrant city incorporates the spectacular growth and enterprise that have characterized Atlanta in recent decades. The work is arranged chronologically, with a section devoted to each decade, a chapter to each year. Volume I covers the history of Atlanta and its people up to 1880—ranging from the city’s founding as “Terminus” through its Civil War destruction and subsequent phoenixlike rebirth. Volume II details Atlanta’s development from 1880 through the 1930s—including occurrences of such diversity as the development of the Coca-Cola Company and the Atlanta premiere of *Gone with the Wind*. Taking up the city’s fortunes in the 1940s, Volume III spans the years of Atlanta’s greatest growth. Tracing the rise of new building on the downtown skyline and the construction of Hartsfield International Airport on the city’s perimeter, covering the politics at City Hall and the box scores of Atlanta’s new baseball team, recounting the changing terms of race relations and the city’s growing support of the arts, the last volume of Atlanta
