The GMAT Critical Reasoning Grail spans more than 240 pages and helps you master Critical Reasoning on the GMAT in a systematic way. The book firstly builds a strong foundation by discussing the basics of Critical Reasoning and then addresses each question type in-depth. It then goes a step further and provides you 100 practice questions for intensive practice. Like the Sentence Correction Grail, the Critical Reasoning Grail is written in an engaging manner and will equip you with all the skills that you need to tackle Critical Reasoning questions confidently. This book is superior to the other books available for Critical Reasoning in many ways. The GMAT Critical Reasoning Grail contains the most up-to-date content for Critical Reasoning. For example, while other books focus on Main Point questions, these question types rarely appear on the GMAT now. Similarly question types such as Logically complete the passage, which are increasingly being tested on the GMAT, find no mention in other books, whereas the CR Grail has an entire chapter that discusses this question type. What also distinguishes the GMAT Critical Reasoning Grail is that it helps you master Critical Reasoning in a step-by-step manner, using jargon free language and does not make you dependent on the diagrammatic approach. It is also the only book that provides you 100 Critical Reasoning Questions for practice
