world. On the other side, a guerrilla marketing concept is something that talks about breaking down barriers in the dialogue between business people and customers. It becomes clear that building a social media presence of the businesses is one of the possible guerrilla marketing weapons.

Guerrilla Marketing Concept With Social Media ...

Annoyingly, social media marketing relies on a brand's ability to find that sweet spot right in the middle of posting enough content, but not spamming your followers' feed by posting too much or sharing
