In short, the Foundational Sequence that we have found produces the most generative change is: 1) start with the heart, 2) move to the head, 3) move back to the heart, 4) move down to the gut, 5) finally, move back to the heart. Generative Wisdom and Generative Leadership

The Three Brains of Leadership - The Performance Solution

Your heart. The heart is the emotional brain. It is spontaneous, and it sees problems through passion, feelings, and creativity. It says “I want” or “I don't want”. Following your heart feels good in the short-term as it responds to emotions that are in the present. Your gut. The gut is the intuitive brain. It sends us implicit and unclear messages about what’s going on.
