A long-awaited reassessment of Andrea Palladio s canonical villas that challenges widely accepted interpretations of the Renaissance architect s work *

Meet Hap and Leonard, the unlikely detective duo now on screen in the highly praised series starring James Purefoy, Michael K. Williams and Christina Hendricks. Hap and Leonard are not your typical private eyes. But what they lack in experience they make up with perseverance. Hap, a former 60s activist and self-proclaimed white trash rebel, and Leonard, a tough black, gay Vietnam vet, have finally decided to make their detective work official. Their first client: a mean old woman looking for her missing granddaughter. The girl used to work for a car dealership in town... but it seems like cars weren't the only things on offer. The mystery thickens to include blackmail, revenge, and an inbred family of hillbilly assassins who eliminate any threats to the operation. Only Hap and Leonard could turn a simple missing person case into a life-threatening showdown, and only Joe Lansdale could tell this story. Filled with hilarious dialogue, relentless pacing, and unorthodox characters, Honky Tonk Samurai is a rambunctious thrill ride by one hell of a writer.

"Ted Steinberg proves once again that he is a master storyteller as well as our foremost environmental historian."-Mike Davis The rise of the perfect lawn represents one of the most profound transformations in the history of the American landscape. American Green, Ted Steinberg's witty exposé of this bizarre phenomenon, traces the history of the lawn from its explosion in the postwar suburban community of Levittown to the present love affair with turf colorants, leaf blowers, and riding mowers.
