Unfortunately, post 1975, up to and including 1980...Philip Norman goes from insider to outsider. Less than 100 pages is devoted to John Lennon's final years...the years in which he retired from music, traveled, and took time away from the world to raise his son and be with his family in private.

*John Lennon: The Life by Philip Norman - Goodreads*

Philip Norman is a novelist, biographer, journalist, and playwright. He is the author of the bestselling biography John Lennon: The Life and the history of The Beatles Shout!: The Beatles in Their Generation. Norman has also published biographies of Buddy Holly, the Rolling Stones, and Elton John, as well as six works of fiction and two plays, The Man That Got Away and Words of Love.

*John Lennon: The Life by Philip Norman, Paperback | Barnes ...*

Critics generally praised John Lennon: The Life, though they often seemed shocked at how much hate and violence could be found in one of the 20th century's most famous proponents of peace and love. Some were also taken aback by the book's length-over 800 pages for a figure who famously lived only to age 40.

*John Lennon: The Life - Kindle edition by Norman, Philip ...*

In Philip Norman's biography of John Lennon, a rather messy genius of a child is depicted in all his rages, heartaches, and glooms. John Lennon comes across less as a man conflicted by adulthood than as an angry but gifted adolescent who is conflicted by a dreamy sense of childhood that haunts him, amuses him, but ultimately won't leave him alone.

But fortunately, Philip Norman is making a vallant effort to show, if not all of John Lennon's facets, then as many of them as possible. Having explored the Beatles and their impact on a generation, Norman narrows his focus down to "John Lennon: The Life" -- and he does a superb job unearthing the many details, relationships and differing faces of this much-lamented rock star.

*John Lennon: The Life: Norman, Philip: 9780385661010 ...*

Thirty-five years ago, on December 8, 1980, John Lennon was murdered outside his Dakota apartment by Mark David Chapman. Lennon, a brilliant artist and complex man, was witty, ornery, and haunted, exploring his life through his art. Lennon remains an influential part of our culture. His song "Imagine" has become a timeless plea for peace.

The final word on music's greatest legend, in which Philip Norman reveals a John Lennon the world has never seen. With ground-breaking insight into the pain, beauty and frustration that shaped the genius of modern music, John Lennon: The Definitive Biography redefines a legend.

*John Lennon: The Life: Amazon.co.uk: Norman, Philip ...*

Philip Norman does a pretty good job writing about Lennon's life. Like most people, Lennon had good and bad points. He was a very emotional man, maybe bored with the humdrum of everyday life. He spent the bulk of his life trying to find meaning.

*John Lennon: The Life: Amazon.co.uk: Norman, Philip ...*

But, paralysed more by fatalistic self-pity, Alf remained rooted in his chair. Julia and John left the house and disappeared into the holiday crowds.' (Philip Norman, John Lennon - The Life, Harper Collins, p.21) Alf disappeared once more, and John went to live with his mother's sister, Aunt Mimi. But the tragedy wasn't over.

"Alf then told John he must choose between going with Mummy or staying with Daddy. If you want to tear a small child in two, there is no better way." – Philip Norman, John Lennon: The Life

National Bestseller Drawing on previously unknown sources, unpublished letters, and unprecedented access to all the key figures, author and journalist Philip Norman gives us the most complete and revealing portrait of John Lennon that is ever likely to be published. For this masterpiece of biography, Philip Norman set himself the challenge of looking afresh at every aspect of Lennon's much-chronicled life. He has not just dug deep into the archives, including his own vast collection of tapes and notebooks dating back to the 60s, but spoken to hundreds of witnesses, from every walk of life and every stage of Lennon's. The interviews include Sean Lennon, whose moving reminiscences reveal his father as never before, and Yoko Ono, who speaks with sometimes shocking candour about her marriage to John. In his brilliant Shout!, we were shown a band; in John Lennon, Philip Norman gives us a portrait of a man. It reconciles as never before the contradictions of this endlessly fascinating character-the volatile and violent hippie, the phenomenally wealthy advocate of no possessions, the family man and junkie-and his journey from Liverpool suburbia to becoming one of the presiding geniuses of pop culture.

The definitive Paul McCartney biography, written with his approval by bestselling biographer Philip Norman. Since the age of twenty-one, Paul McCartney has lived one of the ultimate rock-n-roll lives played out on the most public of stages. Now, Paul's story is told by rock music's foremost biographer, with McCartney's consent and access to family members and close friends who have never spoken on the record before. PAUL MCCARTNEY reveals the complex character behind the facade and sheds new light on his childhood--blighted by his mother's death but redeemed by the father who introduced him to music. This is the first definitive account of Paul's often troubled partnership with John Lennon, his personal trauma after the Beatles' breakup, and his subsequent struggle to get back to the top with Wings--which nearly got him murdered in Africa and brought him nine days in a Tokyo jail. Readers will learn about his marriage to Linda, including their much-criticized musical collaboration, and a moving account of her death. Packed with new information and critical insights, PAUL MCCARTNEY will be the definitive biography of a musical legend.

Profiles John Lennon from his childhood to his death, reveals the offstage Lennon and the violence that shaped his tortured life, discusses Lennon's hidden existence with Yoko, and assesses his impact as a cultural hero

An intimate yet unsparring biography of one of the greatest and most mythologized musicians of the twentieth century. What was it like to be John Lennon? What was it like to be the castoff child, the clown at school, and the middle-class suburban boy who pretended to be a working-class hero? How did it feel to have one of the most recognizable singing voices in the world, but to dislike it so much he always wanted to disguise it? Being John Lennon is not about the whitewashed Prince of Peace or Imagine legend--because that was only a small part of him. The John Lennon depicted in these pages is a much more kaleidoscopic figure, sometimes almost a collision of different characters. He was, of course, funny, often very funny. But above everything, he had attitude--his impudent style somehow personifying the aspirations of his generation to question authority. He could, and would, say the unsayable. Though there were more glamorous rock stars in rock history, even within the Beatles, it was John Lennon's attitude which caught, and then defined, his era in the most memorable way.

Profiles the famous rock musician from his birth in Liverpool in 1940 to his murder in New York City in 1980.

A close friend and business manager for the legendary group portrays the personal lives of the members of the Beatles, from their youth in Liverpool to their rise to success in the world of pop music to the death of John Lennon in 1980. Reprint.

In his commanding new book, the eminent NPR critic Tim Riley takes us on the remarkable journey that brought a Liverpool art student from a disastrous childhood to the highest realms of fame. Riley portrays Lennon's rise from Hamburg's red light district to Britain's Royal Variety Show; from the charmed naivet  of "Love Me Do" to the soaring ambivalence of "Don't Let Me Down"; from his shotgun marriage to Cynthia Powell in 1962 to his epic media romance with Yoko Ono. Written with the critical insight and stylistic mastery readers have come to expect from Riley, this richly textured narrative draws on numerous new and exclusive interviews with Lennon's friends, enemies, confidantes, and associates; lost memoirs written by relatives and friends; as well as previously undiscovered City of Liverpool records. Riley explores Lennon in all of his contradictions: the British art student who universalized an American style, the anarchic rock 'n' roller with the moral spine, the anti-jazz snob who posed naked with his avant-garde lover, and the misogynist who became a househusband. What emerges is the enormous, seductive, and confounding personality that made Lennon a cultural touchstone. In Lennon, Riley casts Lennon as a modernist hero in a sweeping epic, dramatizing rock history anew as Lennon himself might have experienced it.

New York Times Book Review • "The Best Books to Give This Year" Publishers Weekly • Best Books of the Year (Nonfiction) A shattering new biography of rock music's most outrageous-and tragic-genius. Over fifty years after his death, Jimi Hendrix (1942-1970) is celebrated as the greatest rock guitarist of all time. But before he was setting guitars and the world aflame, James Marshall Hendrix was a shy kid in Seattle, plucking at a broken ukulele and in fear of a father who would hit him for playing left-handed. Bringing Jimi's story to vivid life against the backdrop of midcentury rock, and with a wealth of new information, acclaimed music biographer Philip Norman delivers a captivating and definitive portrait of a musical legend. Drawing from unprecedented access to Jimi's brother, Leon Hendrix, who provides disturbing details about their childhood, as well as Kathy Etchingham and Linda Keith, the two women who played vital roles in Jimi's rise to stardom, Norman traces Jimi's life from playing in clubs on the segregated Chitlin' Circuit, where he encountered daily racism, to barely surviving in New York's Greenwich Village, where was taken up by the Animals' bass player Chas Chandler in 1966 and exported to Swinging London and international stardom. For four staggering years, from 1966 to 1970, Jimi totally rewrote the rules of rock stardom, notably at Monterey and Woodstock (where he played his protest-infused rendition of the "Star-Spangled Banner"), while becoming the highest-paid musician of his day. But it all abruptly ended in the shabby basement of a London hotel with Jimi's too-early death. With remarkable detail, Wild Thing finally reveals the truth behind this long-shrouded tragedy. Norman's exhaustive research reveals a young man who was as shy and polite in private as he was outrageous in public, whose insecurity about his singing voice could never be allayed by his instrumental genius, and whose unavailing efforts to please his father left him searching for the family he felt he never truly had. Filled with insights into the greatest moments in rock history, Wild Thing is a mesmerizing account of music's most enduring and endearing figures.

Updated to include Paul McCartney's knighting and the deaths of John Lennon and George Harrison. Philip Norman's biography of the Beatles is the definitive work on the world's most influential band-a beautifully written account of their lives, their music, and their times. Now brought completely up to date, this epic tale charts the rise of four scruffy Liverpool lads from their wild, often comical early days to the astonishing heights of Beatlemania, from the chaos of Apple and the collapse of hippy idealism to the band's acrimonious spilt. It also describes their struggle to escape the smothering Beatles' legacy and the tragic deaths of John Lennon and George Harrison. Witty, insightful, and moving, Shout! is essential reading not just for Beatles fans but for anyone with an interest in pop music.

A lifetime of letters, collected for the first time, from the legendary musician and songwriter. John Lennon was one of the greatest songwriters the world has ever known, creator of "Help!", "Come Together", "Lucy in the Sky with Diamonds", "Strawberry Fields Forever", "Imagine", and dozens more. But it was in his correspondences that he let his personality and poetry flow unguarded. Now, gathered for the first time in book form, are his letters to family, friends, strangers, and lovers from every point in his life. Funny, informative, wise, poetic, and sometimes heartbreaking, his letters illuminate a never-before-seen intimate side of the private genius. This groundbreaking collection of almost 300 letters and postcards has been edited and annotated by Hunter Davies, whose authorized biography The Beatles (1968) was published to great acclaim. With unparalleled knowledge of Lennon and his contemporaries, Davies reads between the lines of the artist's words, contextualizing them in Lennon's life and using them to reveal the man himself.
