Key Words for Fluency Intermediate provides practice in learning collocations of some of the most useful words in English. It emphasizes common words that occur in many different contexts and identifies over 150 nouns essential for fluency.

"Exciting and engaging vocabulary instruction can set students on the path to a lifelong fascination with words. This book provides a research-based framework and practical strategies for vocabulary development with children from the earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

At last, a way to improve your Tagalog! Written by Joi Barrios as the continuation of her best-selling Tagalog for Beginners book, Intermediate Tagalog is the first intermediate-level book designed specifically for people who already speak or understand some basic Tagalog and now wish to achieve greater fluency in speaking, reading and writing standard Filipino—the national language of the Philippines. The carefully-constructed lessons in this book point out common grammatical errors that English speakers make when speaking Tagalog, and present "real-life" conversations demonstrating how the language is spoken in Manila today. Extensive cultural notes are provided, along with exercises and activities that introduce the use of the Tagalog language in a wide range of everyday situations. The 20 lessons give you all the basic skills needed to speak Tagalog fluently: paglalarawan (the ability to describe people, places and feelings); pagsasalaysay (the ability to tell a story—whether a news story, a folktale, or an anecdote); paglalahad (how to explain something—for example, a custom or tradition, or how to cook a dish); and pangangatwiran (reasoning and abstract thinking). Each lesson is carefully structured in six key parts: A "real-life" dialogue providing valuable conversational skills. Avocabulary list to expand your familiarity with common, everyday Tagalog words and expressions. A grammar review section (for example, on the correct uses of affixes in various sentence constructions). Insightful cultural notes presenting aspects of the Philippines that may seem "odd" to outsiders, to explain how Filipino culture shapes the way people speak. A reading passage from a story or newspaper article, with comprehension questions. A writing exercise designed to teach a specific writing skill. Using Intermediate Tagalog, you'll be able to talk about yourself, your family and your daily experiences using grammatically correct sentences and a native-speaker level vocabulary.

Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural. Presents and explains approximately 1,500 word combinations in typical contexts using tables, charts, short texts and dialogues.

This user-friendly Korean language book pushes readers towards greater fluency in spoken and written Korean. With Essential Korean Vocabulary you will learn to speak Korean the way that Koreans do by learning key words and expressions they use everyday in their natural contexts. You'll also learn closely-related vocabulary together, which will help you remember and use a wider vocabulary. Each word in this book is clearly explained and useful sentences are given to demonstrate how it's used. Author Kyubyong Park also provides tips on Korean grammar and modern colloquial usage in South Korea, so you can learn to speak like a native speaker. Essential Korean Vocabulary presents the 8,000 most common Korean words and phrases organized into 36 different subject areas. Beginning students can focus on the most basic items, which are clearly marked. As you progress to greater fluency, you can pick up more complicated words and expressions to bring your overall vocabulary and understanding of Korean up to an advanced level. With Essential Korean Vocabulary, you will: Upgrade your Korean skills in stages by learning the most useful words in sequence along a graded spectrum from beginner to advanced. Learn how real Koreans speak in authentic sentences by native speakers. Get special tips about tone, nuance, and correct usage of terms. Learn the vocabulary needed to pass standard Korean proficiency tests.
