"Our water system has made a huge difference in cooking and drinking. Water is excellent. Well worth the price. I recommend Kinetico to everyone." Anastasia S. Dallas, TX "Super happy! Water is crystal clear and for the first time in almost 20 years, I can drink my water and have white clothes." Jennifer M. Chapel Hill, NC

Kinetico Water Systems

Kinetico water softeners first appeared on the scene in 1970 as the brainchild of two engineers in search of a non-electric means to automatically treat water. Manufactured for both commercial and residential households, Kinetico water softeners operate uninterrupted during the regeneration process and provide soft and safe water through the means of a turbine and gears instead of electricity.
