Law and Protestantism: The Legal Teachings of the Lutheran ...

This book investigates the relationship between the law and religious ideology in Luther's Germany, showing how they developed in response to the momentum of Lutheran teachings and influence. Profound changes in the areas of education, politics and marriage were to have long-lasting effects on the Protestant world, inscribed in the legal systems inherited from that period.

Law and Revolution II: The Impact of the Protestant ...

Abstract. The Lutheran Reformation transformed not only theology and the Church but also law and the State. Despite his early rebuke of law in favour of the gospel, Martin Luther eventually joined up with various jurists and political leaders to craft ambitious legal reforms of Church, State and society on the strength of his new theology, particularly his new two-kingdoms theory.
