Learning to lip read is one way to maintain your connection to your loved ones, friends, community and the world in general. Being able to understand what your loved ones and friends are saying can prevent misunderstandings in these very important relationships. It is also an opportunity to learn how to deal with and act in social situations ...

A beginner's guide to lipreading - Lipreading.org

Reading: Age 4-5 (Reception) In Reception, your child will be taught phonics, a method of learning to read words. They learn to read letters by saying the sounds they represent. They can then start to read words by blending individual sounds together to make words.

KIP Print User Guide

Stand with your feet about shoulder-width apart. Place a kettlebell between your legs, in line with your ankles. With a straight back, looking in front of you, bend from the hips, and reach down to pick up the kettlebell in between your legs. Your shins should be vertical and your lower back should be flat.
